INDEPENDENT AUDITOR'S REPORT

To the Members of Zuari Infracore India Limited

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

OPINION

We have audited the accompanying Standalone financial statements of Zuari Infracore India Limited ("the Company") which comprises the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021 and profit, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER PARAGRAPH

- We draw your attention to the note 4.2 of the accompanying financial statements for the year ended 31st March 2021 regarding consolidated report of foreign wholly owned subsidiary in Dubai, UAE with accumulated losses which exceeds its net worth as at the end of the year. However, as per the consolidated financial statements for the year ended 31 March 2022 of Zuari Infra Middle East Limited, the said subsidiary, the Management has considered that Company as a going concern for the reasons listed in the specific note given.
- We draw your attention to the note 7.3 of the accompanying financial statements for the year ended 31st March 2021 regarding advance payments of Rs. 639.61 lakhs made by the Company under the Development Management Agreement to agencies against which the said agent initiated insolvency resolution proceedings. The management does not expect any significant effect of the same on its

carrying balance and expects to adjust/recover the same in full and accordingly no adjustment is considered necessary at this stage.

- We draw your attention to the note 7.6 of the accompanying financial statements for the year ended 31st March 2021 regarding recoverable advances paid to a sub-contractor amounting to Rs.2,246.49 lakhs including interest to Rs.33.72 lakhs. The Management is in negotiation with that party for its recovery and is confident that this advance will be ultimately fully recovered by the Company or through other companies of the Adventz Group. Hence in the view of the Management no provision is considered necessary at this stage.
- We also draw your attention to the note 32 of the accompanying financial statements for the year ended 31st March 2021 regarding evaluating the impact of COVID-19 and the recoverability of inventories, investments along with the loan given to subsidiaries by the company by taking companies operations, its financial position as on the date of approval of financial statements and other uncertainties associate with it into consideration and the impact may vary from the assessed based upon future events.

Our opinion is not modified on the above matters.

OTHER INFORMATION

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITY OF MANAGEMENT FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial

controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and performed audit procedures responsive to those risks, and obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, we can conclude that there is no material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial control over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in Annexure B.
- g. With respect to the other matters to be included in the Auditor's report in accordance with requirements of Sec 197(16) of Act:

VSPV & Co.
Chartered Accountants

- In our opinion and to the best of our information and according to the explanation given to us the company has complied with the provisions of section 197 of the Act to the extent applicable in respect of managerial remuneration paid during the year.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed pending litigations which would impact its financial position (Refer Note 30.1 of the accompanying financial statements).
 - ii. The Company has made provision as required under applicable law or accounting standard for material foreseeable losses, if any on long term contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and protection Fund by the Company.

ANNEXURE REFERRED TO IN CLAUSE 1 OF REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS PARAGRAPH OF OUR REPORT OF EVEN DATE

Re: Zuari Infracore India Limited ("the Company")

- (i) In respect of the Company's fixed assets:
- a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c) According to the information and explanations given to us, the title deeds of the immovable property of the company which is part of the inventory is held by the company in its own name. As stated in the Note 13 of the standalone financial statements the immovable property has been mortgaged with the banks/financial institutions as a security for the facilities availed.
- (ii) The inventory held by the company has been physically verified by the management during the year and no discrepancies noticed on such verification between the physical stock and the book records. In my opinion, the frequency of such verification is reasonable.
- (iii) The company has granted loan and give guarantee to the parties covered in the register maintained under the section 189 of the companies act, 2013 "the Act", further:
- (a) According to the information and explanation given to us and based on the audit procedures conducted by us, we are of the opinion that terms and conditions of the loan granted by the company to one party covered in the register maintained under Sec 189 of the act, (total loan amount granted during the financial year Rs. 3637.75 lakhs and the fair value of the loan outstanding is Rs. 9,931.58 lakhs) is not prejudicial to the interest of company. Further the company has also given financial corporate guarantee to step down subsidiary outside India.
 - (b) In respect of the above loans, interest along with principal amounts is payable after six years (earlier three and now extended to six) from the date of disbursement and no amounts are overdue in respect of principal and interest.
 - (c) According to the information given to us and based on the audit procedures conducted by us there are no overdue amounts exceeding 90 days.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to the loans, investments & guarantee's and security provisions.
- (v) The Company has not accepted any deposits from the public.
- (vi) According to the information and explanation given to us, the maintenance of cost records under Sec 148(1) of the act are not applicable to the company.

- (vii) (a) According to the information and explanations given to us, the company is generally regular in depositing undisputed statutory dues with the appropriate authorities including Provident fund, Employees State Insurance fund, income tax, service tax, cess or any other statutory dues.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, service tax, cess and other material statutory dues were in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no dues of income tax & Goods and service tax as on March 31, 2021 except for the below mentioned:

Demand of Rs. 6,26,469.24/- towards payment of Tax deducted at source as per TRACES portal of Income tax Department, against which the company is in process of filing rectification.

- (viii) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of dues to a financial institution except for few delays after considering moratorium period which is detailed below. The below loan taken from LIC Housing finance Limited and the repayment if for interest on the borrowings.

Date of payment	Dues to be paid	Due date	Amount	Delay
11/12/2020	12/2020-12/2020	07/12/2020	1,58,06,719	4.00
16/01/2021	01/2021-01/2021	07/01/2021	31,27,000	9.00
28/01/2021	01/2021-01/2021	07/01/2021	1,35,03,298	21.00
11/02/2021	02/2021-02/2021	07/02/2021	1,63,85,917	4.00

As per the information provided to us the company has exercised the option of RBI circular no RBI/2019-20/244 dated 23rd May 2020 on COVID-19 regulatory package availing the facility of moratorium period till Aug 31, 2020 for the repayment of loan and interest on borrowing from bank/financial institution.

- (ix) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, the Company has not raised any money way of initial public offer / further public offer / debt instruments) and term loans hence, reporting under clause (ix) is not applicable to the Company and hence not commented upon. According to the explanation provided to us, the company has utilised the monies raised by the way of term loans for the purpose for which the loan was obtained.

- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the company or on the company by the officers and employees of the Company has been noticed or reported during the period.

- (xi) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given the company has

paid/provided managerial remuneration in accordance with the provisions of section 197 read with Schedule V of the Act.

- (xii) In our opinion, the Company is not a Nidhi company. Therefore, the provisions of clause (xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and on an overall examination of the balance sheet, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the period under review and hence not commented upon.
- (xv) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him.
- (xvi) According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE – B TO THE INDEPENDENT AUDITOR’S REPORT.

The annexure referred to in paragraph (2) (g) under the heading “Report on Other legal and regulatory Requirements” of our Independent Auditor’s Report of even date on the standalone financial statements of Zuari Infraworld India Limited of the year ended March 31, 2021.

Report on Internal Financial controls under clause (i) of Sub section 3 of Section 143 of the companies act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of Zuari Infraworld India Limited (“the Company”) as of 31st March, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year then ended.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

VSPV & Co.
Chartered Accountants

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the

1 Corporate information:

Zuari Infracore India Limited ("the Company" or "ZIIL") [CIN: U45309KA2007PLC043161] is a wholly owned subsidiary of Zuari Global Limited ("ZGL"). The company is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company is primarily into the business of developing residential cum commercial properties intended for sale.

The standalone financial statements were approved for issue in accordance with a resolution of the directors passed on meeting held through video conference and other visual means (VC) dated May 12, 2021.

2 Significant accounting policies:

(a.) Basis of preparation

The standalone financial statements of the Company have been prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and in accordance with the reporting requirements under Companies Act, 2013 ("the Act"), to the extent notified.

These Accounting policies have been consistently applied by the Company in the preparation and presentation of these financial statements except where a newly issued/ notified accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy which was in use.

Current and Non-current classification

All Assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. As the Company is engaged in developing a residential cum commercial project, the normal operating cycle is based on the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has ascertained its operating cycle at least 12 months after the reporting date for the purpose of Current - Non-current classification of assets and liabilities, which is considered appropriate.

The standalone financial statements are presented in Indian Rupees and all the amounts disclosed in the financial statements have been rounded off to the nearest lakhs pursuant to the requirements of schedule III of the Companies Act, 2013., except when otherwise indicated.

(b.) Use of accounting estimates, accounting judgements, and assumptions:

Preparation of these financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. Such estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the year.

The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of such assumptions in these financial statements have been disclosed in the ensuing notes. Accounting estimates could change from year to year and also actual results could differ from those estimates. Appropriate changes in estimates are made as Management becomes aware of changes in circumstances surrounding these estimates. Changes in estimates are reflected in the financial statements in the year in which changes are made and their effects, if material, are disclosed by way of notes to the financial statements.

Significant accounting judgements, estimates and assumptions :

(i.) Useful life of Property, plant & equipment:

The determination of estimated useful lives and expected residual values are based on the technical evaluation carried by the Company and these are reviewed by the Management of the Company at each reporting date.

(ii.) Impairment of financial assets and evaluation of impairment indicators:

The evaluation of applicability of impairment indicators for an assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets. As at the balance sheet date based on the historical default rates absorbed over the expected useful life, the Management assess the fair value of various financial assets and liabilities and their resultant fair values.

(iii.) Impairment of non-financial assets:

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less cost of disposal and its value in use. The calculation of fair value less costs of disposal is based on available data from binding sales transaction conducted at arms' length for similar assets or observable market prices / guidance value less incremental cost for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from budget for the future years and do not include any restricting activities not committed for or significant future investments that will enhance the performance of the assets of the CGU being tested. The recoverable amount is sensitive to the discount rates used for the DCF model as well as the expected future cash flows and the growth rate used for extrapolation purposes.

(iv.) Contingencies:

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events, which may or may not occur.

(v.) Construction work-in-progress

The Company holds inventories stated at the lower of cost and net realisable value. Such inventories include land, work in progress and completed units. Considering the nature of the activity and, in particular the scale of its developments and the length of the development cycle, the Company has to allocate project-wide development costs between units being built. It also has to forecast the costs to complete on such developments.

In making such assessments and allocations, there is a degree of inherent estimation uncertainty; in particular due to the need to take account of future direct input costs, sales prices and the need to allocate project-wide costs on an appropriate basis to reflect the overall level of development risk, including planning risk. The Company has established internal controls designed to effectively assess and review inventory carrying values and ensure the appropriateness of the estimates made. These assessments and allocations evolve over the life of the development in line with the risk profile, and accordingly the margins reflects these evolving estimates. Similarly, these estimates impact the carrying value of inventory at each reporting date as this is a function of costs incurred in the year and the allocation of inventory to costs of sales on each property sold.

(vi.) Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

(vii.) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(viii.) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 on Leases. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics. The Company reassess the option when significant events or changes in circumstances occur that are within the control of the lessee.

(c.) Property, plant and equipment and Depreciation**(i.) Property, plant and equipment**

The Property, plant and equipment ('PPE') of the Company are stated at historical cost less accumulated depreciation and impairment losses, if any. The cost comprises of the purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its current working condition for the intended use. Any discounts or rebates are deducted in arriving at the purchase price. Subsequent expenditure related to an item of PPE is added to its book value only if it increased the future benefits from the existing assets beyond its previously assessed standard performance.

Recognition principle:

The cost of an item of property, plant and equipment is recognised as an asset if, and only if:

- (i.) it is probable that future economic benefits associated with the item will flow to the Company; and
- (ii.) the cost of the item can be measured reliably.

De-recognition principle:

Gain/ (losses) arising from the de-recognition of a PPE are measured as the difference between the net proceeds on disposal and the carrying amount of the PPE. The resultant gain/(losses) are recognised in the Profit or Loss statement when the PPE is de-recognised.

(ii.) Depreciation

Depreciation is calculated on the Straight Line basis over the estimated useful life of the PPE after retaining estimated residual value not exceeding 5% of the original cost, except for Leasehold improvements and aluminium panels used for construction. Depreciation on assets used for the project has been considered as part of construction and development cost. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if considered appropriate.

Upon adoption of Ind AS, the Company has elected to measure all its property, plant and equipment at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS i.e., 1 April 2015.

The Company has estimated the useful lives which is detailed as under for each category of PPE:

Name of Assets	Useful Lives
Office Equipment	5 years
Plant & Machinery (P&M)	8 years
Furniture & Fixtures	10 years
Computer and servers	5 and 6 years
Motor Vehicles	10 years
Leasehold Improvements	Over the primary lease period (10 years)
Aluminium panel used for construction (P&M)	4 years
Temporary structure	1 year

(d.) Intangible Assets and Amortisation**(i.) Intangible Assets**

Intangible assets acquired separately are measured on initial recognition at cost. Subsequent to initial recognition, the intangible assets are stated at cost less accumulated amortisation and impairment losses, if any.

Recognition:

The cost of an item of intangible asset is recognised as an asset if, and only if:

- (i.) it is probable that future economic benefits associated with the item will flow to the Company; and
- (ii.) the cost of the item can be measured reliably.

De-recognition:

Gain/ (losses) arising from the de recognition of intangibles are measured as the difference between the net proceeds on disposal and the carrying amount of the intangibles. The resultant gain/(losses) are recognised in the Profit and Loss statement when the intangible asset is de-recognised.

(ii.) Amortisation

The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with finite lives are amortized on the Straight Line basis over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. The amortisation expense on intangible assets with finite lives is recognised in the profit and loss statement unless such expenditure forms part of carrying value of another asset. Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Intangible assets representing computer software is amortised on the straight line basis over a estimated useful economic life of five years.

Upon first-time adoption of Ind AS, the Company had elected to measure all its intangible assets at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS i.e., 1 April 2015.

(e.) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

(i.) The Company as a Lessee:

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the lease term or useful life of right-of-use asset, whichever is earlier. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability and reducing the carrying amount to reflect the lease payments made. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 on Leases to short-term leases of all assets that have a lease term of 12 months or leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

Lease contracts entered by the Company majorly pertains for buildings taken on lease to conduct its business in the ordinary course. The Company does not have any lease restrictions and commitment towards variable rent as per the contract.

(ii.) **The Company as a Lessor:**

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease.

When the Company is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Company applies the exemption described above, then it classifies the sub-lease as an operating lease and recognises lease income accordingly.

If an arrangement or contract contains lease and non-lease components, the Company applies Ind AS 115 Revenue from contracts with customers to allocate the consideration in the contract.

(iii.) **Transition**

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which supersedes the existing lease standard, Ind AS 17 Leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors.

The Company has adopted Ind AS 116, effective from the financial year beginning April 1, 2019 and applied the standard to its leases, using the modified retrospective method with cumulative effect of initially applying the standard, recognised on the date of initial application (i.e., April 1, 2019). Accordingly, the Company has not restated comparative information, instead, the cumulative effect of initially applying this standard has been recognised as an adjustment to the opening balance of retained earnings as on 1 April 2019.

Refer note 2(e) – Significant accounting policies – Leases in the financial statements of the Company for the year ended 31 March 2019, for the accounting policy pursuant to Ind AS 17.

(f.) **Impairment**

(i.) **Financial assets (other than at fair value)**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix. For all other financial assets, expected credit losses are measured at an amount equal to the 12-months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii.) **Non-financial assets (Tangible and intangible assets)**

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the profit and loss statement.

(g.) **Borrowing Costs**

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing cost also includes exchange differences, if any to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs that are directly attributable to the construction of development property are capitalized as part of the cost till such time the property is ready for its intended sale. All other borrowing costs are expensed in the year they occur.

Borrowing costs during an extended period in which it suspends the activities necessary to prepare an asset for its intended use or sale. Such costs are costs of holding partially completed assets and do not qualify for capitalisation. However, the Company does not normally suspend capitalising borrowing costs during a period when it carries out substantial technical and administrative work. The Company also does not suspend capitalising borrowing costs when a temporary delay considering the nature of industry, is a necessary part of the process of getting an asset ready for its intended use or sale.

(h.) Foreign Currency Translation

The Company's financial statements are prepared and presented in Indian Rupees, which is also its functional currency.

Initial Recognition:

Foreign currency transactions, if any, are recorded at exchange rate prevailing on the date of transaction/realisation.

Conversion / Reinstatement:

Foreign currency monetary items are translated using the exchange rate prevailing at the reporting date. Non-monetary items that are measured in terms of historical cost denominated in a foreign currency are translated using the exchange rate at the date of the initial transaction. Non-monetary items measured at fair value denominated in a foreign currency are, translated using the exchange rates that existed when the fair value was determined.

Exchange Differences:

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise

The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in other comprehensive income (OCI) or profit and loss are also recognized in OCI or profit and loss, respectively).

(i.) Inventories

The cost of inventories shall comprise all costs of purchase including cost of land, costs of conversion and other costs including borrowing costs incurred in bringing the inventories to their present location and condition.

Inventories (comprising Land under Development and Construction Work-in-Progress) are stated at lower of cost and net realizable value. Cost includes expenses, net of taxes recoverable, specifically attributable to construction and development of property intended for sale. The allocation of common costs is based on the normal level of the activities.

Construction work-in-progress of constructed properties include the cost of land, internal development costs, external development charges, construction costs, overheads, borrowings cost, development/construction materials and is valued lower of cost/estimated cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and estimated cost necessary to make the sale.

(j.) Provisions and Contingent Liabilities

(i.) Provisions

A provision is recognised when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the profit and loss statement net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(ii.) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

(k.) Revenue Recognition

The Company derives revenues primarily from development and sale of residential cum commercial properties and related services, maintenance and consulting. Effective 1 April 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative effect transition method being applied to contracts that were not completed as of 1 April 2018.

Revenues from customer contracts are considered for recognition and measurement when the contract has been approved by the parties, in writing, to the contract, the parties to contract are committed to perform the irrevocable obligations under the contract, and the contract is legally enforceable. Revenue is recognized upon transfer of control over the promised products or services ("performance obligations") to customers in an amount that reflects the consideration the Company has received or expects to receive in exchange for these products or services ("transaction price"). When there is uncertainty as to collectability, revenue recognition is postponed until such uncertainty is resolved.

To determine whether to recognize revenue, the Company follows a five step model as envisaged in Ind AS 115 given below:

Identifying the contract with a customer
 Identifying the performance obligations
 Determining the transaction price
 Allocating the transaction price to the performance obligations
 Recognizing revenue when/as performance obligation(s) are satisfied.

(i.) Identify the Contract with Customer

The Company evaluates whether a valid contract is satisfying all the following conditions:

- All parties have approved the agreement (may be written)
- All parties are committed to approve their obligations.
- Each party's rights are identifiable.
- The contract has commercial substance.
- Collectability is probable.

(ii.) Identifying the performance obligations

The Company evaluates the separability of the promised goods or services based on whether they are 'distinct'. A promised good or service is 'distinct' if both:

- the customer benefits from the item either on its own or together with other readily available resources, and
- it is 'separately identifiable' (i.e. the Company does not provide a significant service integrating, modifying or customizing it)

(iii.) Determining the transaction price

The Company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price excludes amounts collected on behalf of third parties. The consideration promised include fixed amounts, existence of any financial component and any other non-cash consideration, or both.

Where the Company has a right to consideration from a customer in an amount that corresponds directly with the value to the customer of the performance completed to date, the Company recognizes revenue in the amount to which it has a right to invoice.

(iv.) Allocating the transaction price to the performance obligations

The transaction price is allocated to the separately identifiable performance obligations on the basis of their standalone selling price. For services that are not provided separately, the standalone selling price is estimated using adjusted market assessment approach.

(v.) Recognizing revenue when/as performance obligation(s) are satisfied.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Revenue is recognized either at a point in time or over time, when (or as) the Company satisfies performance obligations by transferring the promised goods or services to its customers.

The main revenue streams for Zuari Infracore India Limited relate are as under:

- Residential cum commercial properties (constructed properties)
- Development Management Services.
- Sales Commission.

Revenue from sale of residential cum commercial properties (constructed properties)

The Company develops and sells residential cum commercial properties. Revenue is recognised when control over the property has been transferred to the customer. The properties have generally no alternative use for the company due to contractual restrictions. Enforceable right to payment does not arise until legal title or possession of the property is deemed to have been passed to the customer. Therefore, revenue is recognised at a point in time when the legal title has been passed to the customer or possession of property is deemed to have been passed to the customer. Each unit of the flats or properties are classified as a separate performance obligation and revenue is recognised upon legal transfer of asset to buyer or when the possession of property is deemed to have been passed to the customer.

The revenue is measured at the transaction price agreed under the contract. In most cases, the consideration is linked with the process of construction and does not involve any significant financial component.

The Company has not adjusted the promised amount of consideration for the effects of a significant financing component. In the view of the Management of the Company, the contract with a customers would not have a significant financing component as there is no difference between the promised consideration and the cash selling price of the residential units (as described in paragraph 61 and 62 of Ind AS 115) had the same been sold on full cash basis.

Income from sale of services

Income from service contracts which is in the nature of fees for specified periods are recognised on accrual basis to the extent the services have been rendered and invoices are raised in accordance with the contractual terms with the customers and recoveries are reasonably certain.

Sales Commission from sale of plots/ residential units

Commission from sale of plots/ residential flats upon sale of the plots/ flats as per the terms of contract and recoveries are reasonably certain.

Other income

Other income comprises of interest income, dividend income and gain/loss on investments. Interest income is recognized on accrual basis using the effective interest method. Dividend is recognised as and when the right to receive payment is established by the reporting date, which is generally when shareholders approve the dividend.

(l.) Taxes on income

(i.) Current income tax

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities using own estimates in accordance with the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii.) Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax relating to items recognised outside profit or loss statement is recognised outside profit or loss (either in other comprehensive income or in equity).

(m.) Retirement and other Employee Benefits

(i.) Provident Fund

Retirement benefit in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Profit and Loss statement of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable under the scheme.

(ii.) Gratuity

Gratuity liability under the Payment of Gratuity Act 1972, are defined benefit obligations and are provided for on the basis of actuarial valuation on projected unit credit method, made at the end of each financial year. The gratuity liability is not funded.

(iii.) Compensated Absences

Short term compensated absences are provided for based on estimates by the Management considering the entitlements outstanding as at the reporting date. Long term compensated absences are provided for based on actuarial valuation made at the end of each financial year. The actuarial valuation is done as per projected unit credit method.

Remeasurements:

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss statement in subsequent periods. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

(n.) Financial Instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(i.) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii.) Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in other comprehensive income.

(iii.) Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

(iv.) Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

(v.) Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are recognised at the proceeds received net off direct issue cost.

(vi.) Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument.

Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

(o.) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to the equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(p.) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. Chief operating decision maker reviews the performance of the Company according to the nature of business which primarily comprises of development of real estate projects, both residential and commercial.

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting financial statements of the Company as a whole.

(q.) Equity, reserves and dividend payments

Share capital represents the nominal (par) value of shares that have been issued.

Share premium includes any premiums received on issue of share capital. Any transaction costs associated with the issuing of shares are deducted from share premium, net of any related income tax benefits.

Retained earnings are adjusted for the following:

- Re-measurement of net defined benefit liability-comprises the actuarial losses from changes in demographic and financial assumptions and the return on plan assets

All transactions with owners of the parent are recorded separately within equity.

Dividend distributions payable to equity shareholders are included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

(r.) Cash and cash equivalents

Cash and cash equivalents in the cash flow statement comprises cash at bank and in hand and short term investments with an original maturity periods of three months or less.

For the purpose of the Statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if any as they are considered an integral part of the Company's cash management.

(s.) Investments

Investments in subsidiary, Joint Ventures and Associates are accounted at their cost in the separate financial statements. Investment in preference shares in Associates and mutual funds are accounted for at fair value through profit and loss (FVTPL) at the reporting date.

(t.) Recent Accounting pronouncements:

Ministry of Corporate Affairs ('MCA') notifies new standards or amendments to the existing standards. There were no such new standards or amendments which have been notified or made applicable with effect from 01 April 2020.

SBI Debt Fund Series C - 16 (1100 Days) Direct Growth [1,26,70,900 units (2019:1,26,70,900 units) at Rs.10 per unit, Date of Maturity June 01, 2021]	1,592.69	1,495.43
SBI Magnum low duration fund Direct Growth [43,965 units (2019: Nil units) at Rs.10 per unit]	-	1,156.27
	4,083.93	9,461.17
	6,647.10	12,029.34

Note: The above balance of investments in mutual funds are as per the statement accounts from that fund.

- 4.2 The foreign subsidiary in Dubai, UAE has accumulated losses which exceed it's networth as at the year end. The subsidiary and the step down subsidiary company is engaged in the business of the development of long term real estate project which is in its initial stage.

As per the consolidated financial statements for the year ended 31 March 2021 of Zuari Infra Middle East Limited, the said subsidiary, the Management has considered that Company as a going concern for the following reasons:

- (a) The real estate market of Dubai has improved as compared to last year
- (b) The parent entities and JV Partners have resolved not to dissolve the group and continue its operations availing funding from the banks and or venture capital against the securities of the parent entities.
- (c) The management will obtain the approvals for the project which were lapsed due to significant delays in commencement of project, submitting required applications and documents.

ZUARI INFRAWORLD INDIA LIMITED

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 MARCH 2021

(All Amounts in Indian Rupees in lakhs, unless otherwise stated)

(d) The parent entities have full confidence in the successful completion of the project and have agreed to provide and or make an alternative financial and the business arrangements for the successful completion of the project and to meet with its financial requirements.

(e) The management is confident about off plan sale of units under new brand name by the second half of the financial year to end 31 March 2023 enabling the group to generate cash flow to meet with the development cost.

(f) The existing creditors and lender of unsecured loans have agreed to extend their support and once the project construction work is commenced, the creditors support will be further gained.

(g) As per the revised forecast prepared by the management, the operating and financial performance are positive and profitable.

(h) Key executive management is in place with the company and its parent entities and upon commencement of the additional project manager / officials will be inducted.

(i) There are no changes in government legislation that may adversely affect the company.

Considering the above, the Management of the Company is confident that carrying value of investment and Loans given to subsidiary as stated in Note 5 are fully recoverable and hence no provision for impairment in the carrying value of the investment in this subsidiary or adjustments in respect of the carrying value of loan is considered necessary by the Management of the Company in the standalone financial statements.

4.3 Summary of Investment and their valuation (Also, refer note 35):

Investment Class	Method of Valuation	As at	As at
		31 March 2021	31 March 2020
Unquoted equity Instruments	Carried at cost (deemed cost)	1,896.16	1,896.16
Unquoted preference Instruments	Discounted cash flows method* (fair value)	667.00	672.00
Mutual funds	Market observable inputs (fair value)	4,083.93	9,461.17
		6,647.10	12,029.34

* based on the valuation report issued by the independent firm of Chartered Accountants.

4.4 Investments in mutual funds

Investments in mutual funds are held under lien in favour of Yes Bank Limited, GIFT City for providing finance facility to Zuari SJM Properties LLC, Dubai, a step down subsidiary. All the investments in mutual funds are carried as non-current as they are expected to either be renewed / re-invested on their maturity. Further, Investment of funds in mutual funds will not meet the contractual cash flow test (i.e. SPPI test) as the contractual cash flows (i.e. Dividends or redemption amount represented by the NAV) will not just be solely interest and principal. Therefore, the same has been classified as Fair Value through profit and loss (FVTPL). (Also refer note 30.3 of the standalone financial statements)

The details of Investments in mutual funds sold during the year are given below:

	3,267.23	3,355.85

7.3 Includes advance payments made by the Company under the Development Management Agreement to agencies which are entitled to certain percentage of income calculated in the manner specified therein. The advance payments made aggregated to Rs. 639.61 lakhs as at 31 March 2021 (2020: Rs. 639.61 lakhs) and these will be adjusted in the year when the agency becomes entitled to share of income as per the agreement. One of the operating creditors of one of the Agency company has initiated insolvency proceeding against that Company. The management doesnot expect any significant effect of the same on its carrying balance and expects to adjust/recover the same in full and accordingly no adjustment is considered necessary at this stage and these balances are subject to confirmation from that party.

7.4 Goods and Service Tax Input credits carried in the books includes input tax credits aggregating to Rs. lakhs 46.44 lakhs (2020: 52.02 lakhs) relating to advance payments to vendors and unpaid vendors bills beyond time period stipulated under GST Law, which will be claimed in the returns in the subsequent periods when the company is eligible to claim such credits under the provisions of the GST Law.

7.5 Represents Goods and Service Tax paid on export of services which is expected to be claimed as refund. The Company has filed the refund application and expects to realise the same in full.

7.6 Includes recoverable advances paid to a sub-contractor amounting to Rs.2,246.49 lakhs (2020: Rs 2,246.49 lakhs). The Management is in negotiation with that party for its recovery including interest accrued Rs 33.72 lakhs (2020: Rs 33.72 lakhs) as disclosed in Note 6.2 and is confident that this advance will be ultimately fully recovered by the Company or through other companies of the Adventz Group. Hence in the view of the Management no provision is considered necessary at this stage.

ZUARI INFRAWORLD INDIA LIMITED**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 MARCH 2021**

(All Amounts in Indian Rupees in lakhs, unless otherwise stated)

- 7.7 Includes Rs.187.45 lakhs (2020: Rs.228.71 lakhs) on account of brokerage & sales commission paid to an agency for services, on gross sale consideration receivable from customers. As per the agreement, in the event of non-completion of sale transaction, such commission is refundable by the agency. The commission paid is charged to the Profit & Loss Statement as and when revenue is recognised on a proportionate basis.
- 7.8 Represents amount received from Indian Furniture Product Limited, a subsidiary of the holding company as per the unconditional undertaking given by the said company in respect of sale of residential unit to one of the customer as on March 31, 2021 NIL (As at March 31,2020 - 98.61 lakhs)

8 Inventories (valued at lower of cost or net realizable value)	As at 31 March 2021	As at 31 March 2020
Completed units (Refer Note 8.1. below)	883.35	2,395.34
Construction Work-In-Progress (includes cost of Land, Borrowing Cost and Project Construction and Development Cost) (Refer Note 8.2. below)	30,041.97	26,015.42
	30,925.31	28,410.76

- 8.1 Represents residential units in respect of which company has entered into agreement for sale with the respective customers, amounts received against these agreements by the company has been reported as advance from customers in Note No. 19. Pending receipt of balance consideration, if any and effecting the transfer of legal title/deemed handover of the property, the same is reported as Inventory.
- 8.2 Includes Rs.3,484.63 lakhs (2020: Rs.2,980.86 lakhs) being cost incurred towards project in Goa managed by M/s. Zuari Global Limited which is pending formalising the terms and conditions. These balances are subject to confirmation from that party however, the Management of the company expects these costs to be recovered in full.
- 8.3 The Management has reviewed the carrying value of its construction work-in-progress by assessing the net realisable value of the project which is determined by forecasting sales rates, expected sale prices and estimated costs to complete (including escalations and cost overrun). This review by the management did not result in any loss and thus no adjustments/ provisions to the carrying value of project work-in-progress was required and external valuation was not considered necessary by the Management. In respect of early stage projects, the underlying fair value of land based on valuation report of chartered engineer was considered for the purpose of determining the net realisable value and the carrying value of the construction work-in-progress was found to be less than the net realisable value so ascertained.

Refer Note No. 13 for the information on construction work in progress pledged as security by the company.

Each holder of preference shares is entitled to one vote per share on resolutions placed before the company. These shares are redeemable at a price band of Rs 125 - Rs 150 per preference share.

- (iv) Pursuant to Schedule III of the Companies Act 2013 ("the Act"), for companies whose financial statements are drawn up in compliance of the Companies (Indian Accounting Standards) Rules, 2015 read with Indian Accounting Standard 32 - Disclosure of Financial Instruments, Non-convertible redeemable cumulative preference shares which are settled in cash needs to be classified as 'financial liability' and not 'equity'. Accordingly company has computed the fair value of these preference shares considering the effective interest rate (EIR) at 14% and the portion computed as 'Borrowing' amounting to Rs.1,108.59 lakhs (2020 : Rs.1058.66 lakhs) has been classified under 'Long-term Borrowings' and the portion computed as the deemed equity amounting to Rs. 415.96 lakhs (2020 : Rs.415.96 lakhs), net of taxes has been reported under 'Other Equity'.

With respect to premium received on issue as well as the additional premium payable on redemption of preference shares no adjustments/disclosures has been carried out as contemplated in Ind-AS 32 and Ind-AS 109 read with Schedule III of the Act, since such classification of the 'securities premium account' into 'borrowings' or 'other equity' will be inconsistent with the provisions of section 52 of the Act which stipulates the manner in which the securities premium account can be utilised. Also the additional premium payable on the redemption has not been recognised in the absence of the accumulated profits since recognition of such a liability will be violative of section 55 of the Act.

Considering above, the Company has been legally advised that no further recognition or adjustments to the premium amounts are required in view of the specific provisions of section 52 and 55 of the Act. Accordingly, no adjustments as required under Ind-AS 32 and Ind-AS 109 read with Schedule III of the Act are made in respect of the premium payable on redemption

14 Lease Liabilities	As at	
	31 March 2021	31 March 2020
14.1 Non-Current		
Lease Liability	425.52	491.75
	425.52	491.75
14.2 Current		
Lease Liability	65.92	65.92
	65.92	65.92
	491.44	557.67

14.3 Other Notes on leases

The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases, retrospectively, with the cumulative effect of initially applying the standard, recognised on the date of initial application (April 1, 2019). Accordingly, the Company has not restated comparative information, instead, the cumulative effect of initially applying this standard has been recognised as an adjustment to the opening balance of retained earnings as on April 1, 2019.

On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of Rs.256.70 lakhs, 'Net investment in sublease' of ROU asset of Rs.214.78 lakhs and a lease liability of Rs.580.66 lakhs. The cumulative effect of applying the standard was debited to retained earnings, which amounted to Rs.80.79 lakhs (net of tax effect on the same Rs. 28.39 lakhs). The adoption of this standard has resulted in an increase in cash inflows from operating activities and corresponding increase in cash outflows from financing activities on account of lease payments. The details of leases for the office premises in this regard are as under.

During the year the company has changed the terms in the investment resulting in changed in opening balance of "Net investment in sublease" of ROU asset amounting to Rs. 17.26 lakhs and "Right to Use of asset" amounting to Rs 2.12 lakhs for which the effect is given directly to the reserves without passing through profit and loss A/c

(i.) **The movement in lease liabilities is as follows:**

Particulars	For the year ended March 31, 2021	For the year ended March 31, 2020
Balance at the beginning*	530.63	580.66

(a) The Company's share of the value of Corporate Guarantee is USD 150 lakhs (using closing exchange rate of Rs.72.5 per USD as at reporting date (2020: USD 200 lakhs using closing exchange rate of Rs.74.7 per USD)).	10,875.00	14,940.00
(b) The company has also provided security by way of pledge of mutual funds and fixed deposits held in the name of the Company (fair value as at reporting date) for the loan referred	10,348.46	9,461.17

31 Earnings Per Share ("EPS")

Basic earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year. There are no dilutive potential equity shares, accordingly the Diluted EPS are also calculated by dividing the profit attributable to equity holders by the weighted average number of equity shares outstanding during as at the end year.

The following reflects the income and share data used in the computation of basic and diluted EPS :

Particulars	(No. of shares in absolute numbers)	
	March 31 2021	March 31 2020
Profit before OCI attributable to equity holders of the parent company	136.51	94.34
Weighted Average number of equity shares used for computing EPS (Basic & Diluted)	46,550,000	46,550,000
Earning/(Loss) Per Share (Basic and Diluted) (Rs.)	0.29	0.20
Face value per share (Rs.)	10.00	10.00

32 Impact of Covid-19

The outbreak of Global pandemic Covid-19 first phase has resulted in the Government of India undertaking drastic measures for containment of the disease including enforcing compulsory full lockdown. In view of these measures, the operations at the company was fully shutdown from March, 23 2020 and the company was able to resume its operations during May 2020 with limited manpower in phased manner with necessary approvals from the appropriate authority. The incremental costs incurred by the company to adhere to the standard operating procedures notified by the Government / Authorities was not significant.

The current lockdown owing to the coronavirus crisis has hugely impacted the world economy as well as a majority of sectors across the globe, including real estate. The management has considered the possible effects that may result from the Covid-19 pandemic on the carrying value of various assets including inventory, investments and loans to the subsidiaries (also refer note 4.2 of the standalone financial statements) after taking into account various internal and external information upto the date of approval of these financial statements and have concluded that they are recoverable based on the expected future performance of the Company and it's subsidiaries. The Company has also assessed various scenarios and assumptions and based on the current estimates, the management of the Company expects that the carrying amount of these assets, as reflected in the balance sheet as at March 31, 2021, are fully recoverable and that no provision/ adjustment is required.

Further, considering the effect of ongoing pandemic situation the regulatory authorities have extended the timelines for completion of ongoing projects under RERA regulations and the Management of the Company is confident of meeting the extended timelines for completion.

Considering the present financial position of the Company and its ability to raise funds, the Management of the Company doesnot foresee any adverse impact on its ability to continue as going concern and meeting its liability as and when they fall due.

The impact assessment of Covid-19 is a continuing process given the uncertainties associated with its nature as well as its duration and the Management will continue to monitor any events/changes to future economic conditions. Accordingly, the impact may be different from that estimated as at the date of approval of these financial statements.

33.6 Terms and conditions

All transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions and in the normal course of business.

34 Financial risk management objectives and policies

The Company's principal financial liabilities, comprise of loans and borrowings, trade and other payables, security deposits and employee dues. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables and cash and short-term deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by the finance team that advises on financial risks and the appropriate financial risk governance framework for the Company. Further, the company is primarily operating in the real estate sector which is subject to The Real Estate (Regulation and Development) Act, 2016 (RERA).

34.1 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and investments in mutual funds.

(i) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. Term Loan facility from LIC Housing Finance Limited and Yes Bank Limited is subject to floating rate of interest based on MCLR, while the borrowings from the related entities carry interest at a fixed rates.

Interest sensitivity analysis	Outstanding Loan facility subject to floating rates	Increase/ decrease in basis points	Effect on profit before tax
For the year ended 31 March 2021			
Increase in base points	17,735.53	+50	88.68
Decrease in base points	17,735.53	-50	(88.68)
For the year ended 31 March 2020			
Increase in base points	17,429.78	+50	87.15
Decrease in base points	17,429.78	-50	(87.15)

(ii) Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency) and the Company's net investments in foreign subsidiaries.

(iii) Equity price risk

The Company's non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company's Board of Directors reviews and approves all Investment decisions.

34.2 Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables**(i) Sale of units (Villas/ Villaments & Apartments):**

Customer credit risk is managed by "CRM team" subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer dues with respect to Customers demands are regularly monitored for proactive actions.

(ii) Development Management Fees:

Apart from real estate activities, the Company also provides Project Development services. The Trade Receivables includes dues from these activities aggregated to Rs. 422.02 lakhs (2020: Rs 404.02 lakhs)

An impairment analysis is performed at each reporting date on an individual basis for these entities. The Company does not hold collaterals as security. The Company evaluates the concentration of risk with respect to trade receivables as Nil, as its customers are related and are part of the same group and with respect of sale of flats & villas the sale deed is executed only after the realisation.

34.3 Liquidity risk

The Company monitors its risk of a shortage of funds regularly and is directly monitored by CFO of the company . The Company's objective is to maintain balance between continuity of funding and flexibility through the use of bank loans and Debt Preference Shares.

The management expects to renew/rollover all of the short term debts/borrowings that are falling due in next 12 months. Further the Company is confident of increased operational cash inflows from bookings of flats/villas/apartments and is also ensured of continued support from its Holding/ Associates Companies and the Promoters.

The management also obtained consent from the preference shareholders for extension of the redemption of preference shares which are due for redemption on 31 March 2020. These preference shares are now due for redemption on 30 July 2025.

34.4 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to ensure their ability to continue as going concern and maximise the shareholder value.

The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments as at 31 March 2021:

Particulars	On demand	< 3 month	3 to 12 months	1 to 3 years	> 3 years	Total
Borrowings (Incl. Debt portion of Preference Shares)	677.78	500.00	-	29,629.51	1,108.59	31,915.87
Trade payables	32.45	334.04	1,151.03	183.68	-	1,701.20
Lease liabilities	-	24.21	72.64	321.59	139.22	557.67
Other financial liabilities	6.56	22.06	109.81	-	1,000.00	1,138.43
Total	716.78	880.31	1,333.48	30,134.78	2,247.81	35,313.17

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments as at 31 March 2020:

Particulars	On demand	< 3 month	3 to 12 months	1 to 3 years	> 3 years	Total
Borrowings (Incl. Debt portion of Preference Shares)	600.31	-	1,548.88	20,577.55	2,072.81	24,799.55
Trade payables	34.30	423.50	1,229.77	40.07	-	1,727.64
Lease liabilities	-	24.21	72.64	321.59	139.22	557.67
Other financial liabilities	8.93	16.13	161.53	-	1,015.40	1,202.00
Total	643.54	463.84	3,012.82	20,939.21	3,227.43	28,286.85

35 Fair values

Set out below, is a comparison by class of the carrying amounts and fair value of the financial instruments

Financial Assets		Carrying value	
Particulars	As at 31 March 2021	As at 31 March 2020	
Financial assets carried at fair value through profit or loss			
Quoted mutual funds	4,083.93	9,461.17	
Preference Shares held in Associate Company	667.00	672.00	
Financial assets at fair value			
Interest accrued and due	33.72	33.72	
Interest accrued and not due	364.49	5.43	
Expenses Recoverable - Related parties	199.07	192.99	
Unbilled Revenue - Service contracts	137.21	90.00	
Net investment (sub-lease)	197.19	201.07	
Security deposits	31.00	31.00	
Loan to Subsidiary	9,931.58	5,227.01	
Trade Receivables	794.53	580.36	
Cash and bank balances	6,311.41	680.18	
Advance to employees	2.71	10.95	
Financial assets carried at cost			
Investments in Associate	1,896.16	1,896.16	
Security deposits	33.03	47.02	
Total	24,683.04	19,129.06	

Financial liabilities		Carrying value	
Particulars	As at 31 March 2021	As at 31 March 2020	
Financial liabilities at fair value			
LIC Housing Finance Limited	17,735.53	16,419.59	
Yes Bank Limited	-	-	
Preference shares (debt portion)	1,108.59	1,058.66	
Security deposit towards sub lease	-	-	
Inter corporate deposits	13,071.75	6,311.11	
Deferred Rental on security deposits	-	-	
Current maturity of long term loans	2,797.99	1,010.19	
Refundable deposit	1,000.00	1,000.00	
Lease liability including current portion	491.44	557.67	
Other payable to related parties	8.58	37.31	
Other deposits	14.96	14.96	
Dues to employees	189.36	149.28	
Trade payables	1,701.64	1,728.08	
Total	38,119.84	28,286.85	

Other Notes:

- (i.) The management assessed that cash and cash equivalents, other bank balances, trade receivables, retention money, inter corporate deposits, loan to related party and trade payables approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.
- (ii.) The following methods and assumptions were used to estimate the fair values:
 - (a.) The fair values of the unquoted Preference shares have been estimated using a DCF model and considering the future cash outflow in this regard, based on a independent valuation . The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility. The probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted Preference shares.
 - (b.) The fair values of the Company's interest-bearing borrowings and loans approximates to their carrying amounts i.e., cost as at the end of the reporting year. The own non-performance risk as at reporting was assessed to be insignificant.

36 Fair Hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

Quantitative disclosures fair value measurement hierarchy for assets:

Assets:	Total	Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Investments in Mutual funds	4,083.93 (9,461.17)	4,083.93 (9,461.17)	- -	- -
Preference shares held in Associate	667.00 (672.00)	- -	- -	667.00 (672.00)

- (i.) Amounts in the parenthesis represent previous year.
 (ii.) There have been no transfers between Level 1 and Level 3 during the year.

This space has been intentionally left blank

37 Gratuity (Employment benefit plan)

Particulars	As at 31 March 2021		As at 31 March 2020	
	Current	Non-current	Current	Non-current
Value of Plan - Gratuity (Un-Funded)	1.54	43.04	1.16	31.97

Gratuity:

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets gratuity on departure at 15 days salary (last drawn salary) for each completed year of service.

The following tables summarise the components of net benefit expense recognised in the statement of profit or loss and the funded status and amounts recognised in the balance sheet for the respective plans:

(i) **Net employee benefit expense (recognized in Employee Cost) for the year ended:**

Particulars	As at 31 March 2021	As at 31 March 2020
Current Service Cost	8.18	10.47
Net Interest Cost	2.20	3.00
Expense recognised in profit and loss statement	10.38	13.47

(ii) **Actuarial (gain)/loss on obligation:**

Particulars	As at 31 March 2021	As at 31 March 2020
(Gain)/loss from change in demographic assumptions	-	0.28
(Gain)/loss from change in financial assumptions	0.30	(4.86)
Experience (gains) / losses	0.77	4.65
Total actuarial (gain)/loss	1.07	0.08

(iii) **Other comprehensive income**

Particulars	As at 31 March 2021	As at 31 March 2020
Actuarial (Gain)/Loss recognized for the period	1.07	0.08
Asset limit effect	-	-
Return on Plan Assets excluding net interest	-	-
Unrecognized Actuarial (Gain)/Loss from previous period	-	-
Total Actuarial (Gain)/Loss recognized in (OCI)	1.07	0.08

(iv) **Changes in the present value of the defined benefit obligation are, as follows:**

Particulars	As at 31 March 2021	As at 31 March 2020
Opening defined obligation	33.14	41.50
Current service cost	8.18	10.47
Interest cost	2.20	3.00
Contribution paid	-	(21.91)
Actuarial (gain)/ loss on obligations	1.07	0.08
Defined benefit obligation	44.59	33.14

(v) **The principal assumptions used in determining gratuity obligations for the Company's plans are shown below:**

Particulars	As at 31 March 2021	As at 31 March 2020
Mortality	IALM (2012-14) Ult.	IALM (2012-14) Ult.
Interest / Discount Rate	6.70%	6.77%
Rate of increase in compensation	First two years - 8% 3rd year onwards - 6.5%	First two years - 8% 3rd year onwards - 6.5%
Expected average remaining service	15.40	15.66
Benefit of normal retirement considered as per Payment of Gratuity Act, 1972	Rs. 20 Lakhs	Rs. 20 Lakhs
Employee Attrition Rate (Past Service)	PS: 0 to 18 years : 3% PS: 18 to 30 years : 2% PS: 30 to 42 years : 1%	PS: 0 to 18 years : 3% PS: 18 to 30 years : 2% PS: 30 to 42 years : 1%

(vi.) A quantitative sensitivity analysis for significant assumption as at the reporting date is as shown below:

Gratuity Plan Assumptions	As at 31 March 2021		As at 31 March 2021	
	Discount rate		Future salary increases	
Sensitivity Level	+1% increase	-1% decrease	+1% increase	-1% decrease
Impact on defined benefit obligation	40.68	49.24	48.26	41.43

Gratuity Plan Assumptions	As at 31 March 2020		As at 31 March 2020	
	Discount rate		Future salary increases	
Sensitivity Level	+1% increase	-1% decrease	+1% increase	-1% decrease
Impact on defined benefit obligation	30.11	36.75	36.02	30.67

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

(vii.) The following payments are expected contributions to the defined benefit plan in future years:

Particulars	As at	As at
	31 March 2021	31 March 2020
Within the next 12 months	1.54	1.16
Between 2 and 5 years	22.02	17.78
Between 5 and 10 years	6.03	4.40
Total expected payments	29.60	23.35

Note: The above disclosures are based on the valuation report by an independent actuary and relied upon by the auditors.

38 Segment Information

Information regarding Operating Segment Reporting as per Ind AS-108

The Chief Financial Officer monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Accordingly, the Company has identified only one segment i.e., real estate sector as its reportable segment for the purpose of Ind AS 108.

Real Estate segment (RE) is into development, sale, management and operation of all or any part of townships, housing projects, including leasing of self owned commercial premises and also rendering development management services and thus entire business has been considered as a single operating component by the Management.

38.1 The following table presents assets and liabilities information for the Company's operating segments as at year end:

Geographical information	Non-current assets		Revenue from operations	
	As at 31 March 2021	As at 31 March 2020	for the year ended 31 March 2021	for the year ended 31 March 2020
India	1,329.89	1,329.89	2,703.85	1,785.30
Outside India (Dubai)	-	-	-	400.00
	1,329.89	1,329.89	2,703.85	2,185.30

Note:

Non-current assets disclosed above are excluding Investment in subsidiaries & Associates, financial instruments, deferred tax assets, post-employment benefit assets etc.

38.2 Revenue from the customers contributing more than 10% of the total revenue are given below:

Particulars	For the year ended 31 March 2021	For the year ended 31 March 2020
Customer A	-	-
Customer B	-	-
Customer C	-	-
Total	-	-

Note:

There are no customers who individually contribute more than 10% of the total revenue of the Company. Accordingly, no disclosures has been made in this regard.

INDEPENDENT AUDITOR'S REPORT

To the Members of Zuari Infracore India Limited

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

OPINION

We have audited the accompanying consolidated financial statements of Zuari Infracore India Limited ("hereinafter called as "Holding Company") and its subsidiaries listed in Annexure I, which comprises the consolidated Balance Sheet as at March 31, 2021, the consolidated Statement of Profit and Loss (including Other comprehensive income) and consolidated statement of changes in equity and cash flow statements for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the accompanying consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2021 and of consolidated loss, consolidated change in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER PARAGRAPH

- We draw your attention to the note 2(d) of the accompanying consolidated financial statements for the year ended 31st March 2021 regarding consolidated report of foreign wholly owned subsidiary in Dubai, UAE with accumulated losses which exceeds its net worth as at the end of the year. However, as per the consolidated financial statements for the year ended 31 March 2022 of Zuari Infra Middle East Limited, the said subsidiary, the Management has considered that Company as a going concern for the reasons listed in the specific note given.

VSPV & Co.
Chartered Accountants

- We draw your attention to the note 7.3 of the accompanying consolidated financial statements for the year ended 31st March 2021 regarding advance payments of Rs. 639.61 lakhs made by the Company under the Development Management Agreement to agencies against which the said agent initiated insolvency resolution proceedings. The management does not expect any significant effect of the same on its carrying balance and expects to adjust/recover the same in full and accordingly no adjustment is considered necessary at this stage.
- We draw your attention to the note 7.6 of the accompanying consolidated financial statements for the year ended 31st March 2021 regarding recoverable advances paid to a sub-contractor amounting to Rs.2,246.49 lakhs including interest to Rs.33.72 lakhs. The Management is in negotiation with that party for its recovery and is confident that this advance will be ultimately fully recovered by the Company or through other companies of the Adventz Group. Hence in the view of the Management no provision is considered necessary at this stage.
- We also draw your attention to the note 8.4 and also note 32 of the accompanying consolidated financial statements for the year ended 31st March 2021 and the following emphasis of matter paragraph included in the audit report on the consolidated financial statements of Zuari Infra Middle East Limited, a wholly owned foreign subsidiary, issued by the auditors of that subsidiary, which is relevant to our opinion on the accompanying consolidated financial statements, and reproduced by us as under:

“Without qualifying our audit opinion, we draw attention to note 11 to the consolidated financial statements, regarding non carrying out of the valuation of development work in progress by an independent professional valuer for the reasons mentioned in the said note. The consequent adjustments, if any, in the carrying value of the assets and equity deficit will be made upon completion of valuation as mentioned above”

The consequent adjustments, if any, in the carrying value of the assets and equity deficit will be made upon completion of valuation as mentioned above.”

Our opinion is not modified on the above matters.

OTHER INFORMATION

The Holding Company’s management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board of Directors report but does not include the consolidated financial statements and our auditor’s report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITY OF MANAGEMENT FOR THE STANDALONE FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

VSPV & Co.
Chartered Accountants

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, we can conclude that there is no material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

OTHER MATTER

We did not audit the consolidated financial statements of one subsidiary, which consists of itself, its subsidiary, one joint venture and a subsidiary of that joint venture, all of which are incorporated outside India, whose consolidated financial statements reflect total assets of Rs. 37,103.38 lakhs as at 31st March 2021, total revenues of Rs. 0.448 lakhs and net cash inflows amounting to Rs. 24.70 lakhs for the year ended on that date, as considered in the consolidated financial statements. These consolidated financial statements of the subsidiary have been audited by the auditors of that subsidiary.

The consolidated financial statements also include the Group's share of net loss of Rs. 7.51 lakhs for the year ended 31st March 2021, as considered in the consolidated financial statements, in respect of three associates to the extent recognised as detailed in Note 4.1, whose financial statements have not been audited by us. These financial statements of the associates have been audited by the auditors of those associates.

The reports of the auditors of the subsidiary and associates as mentioned above, have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associates, is based solely on the reports of the other auditors.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

AS REQUIRED BY SECTION 143(3) OF THE ACT, WE REPORT THAT:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Profit and Loss Statement, the consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 201.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors of the Holding company and the reports of the statutory auditors of its associates companies incorporated in India, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in **Annexure A**.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company has complied with the provisions of section 197 of the Act to the extent applicable with respect to managerial remuneration paid during the year and this is subject to approval of the shareholders in the ensuing annual general meeting.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associates— Refer Note 30 to the consolidated financial statements.

VSPV & Co.
Chartered Accountants

- (ii) Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts.
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its associate companies incorporated in India.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in Clause (g) under the heading "Report on Other Legal and Regulatory Requirements" of our Independent Auditors Report of even date on the Consolidated financial statements of Zuari Infracore India Limited for the year ended 31st March, 2020.

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2020, We have audited the internal financial controls over financial reporting of Zuari Infracore India Limited (hereinafter referred to as "the Holding Company") and its associate companies which are companies incorporated in India, as of that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the of the Holding company and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

VSPV & Co.
Chartered Accountants

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Holding Company and its associate companies which are companies incorporated in India, have, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company including basis of allocating expenses to various projects considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

VSPV & Co.
Chartered Accountants

OTHER MATTERS

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to three associate companies, which are companies incorporated in India, is based on the corresponding reports of the statutory auditors of such companies incorporated in India.

Receipts from net investment in right-of-use assets	50.47	42.94
Interest received	2.28	5.26
Net cash from Investing activities	311.15	(363.17)
III. CASH FLOW FROM FINANCING ACTIVITIES :		
Borrowings, net of repayments	2,778.16	6,298.39
Interest Paid (including amount transferred to work-in-progress)	(2,634.86)	(4,880.65)
Net cash used in financing activities	143.30	1,417.74
Net Changes in Cash and Cash equivalents during the year	(70.98)	(57.27)
Exchange difference on cash and cash equivalent	-	(0.52)
Cash and Cash equivalents at the beginning of the year	148.62	206.40
Cash and Cash equivalents at the end of the year (Refer Note 10)	77.64	148.62

ZUARI INFRAWORLD INDIA LIMITED
CONSOLIDATED CASH FLOW STATEMENT FOR THE YEAR ENDED 31 MARCH 2021
 (All Amounts in Indian Rupees in lakhs, unless otherwise stated)

For the year ended
 31 March 2021

For the year ended
 31 March 2020

Disclosure pursuant to Ind-AS 7 as amended:

Particulars	As at 31 March 2020	Cash Flow	Trf. to Securities Premium	Non-Cash Adj. (Fair Value Adjustments)	As at 31 March 2021
Long term borrowings	18,152.59	1,647.32	-	-	19,799.91
Redeemable Preference Shares (Debt portion)	1,058.66	-	-	-	1,058.66
Lease liabilities (including security deposit received for Net investment in sub lease)	557.67	-	-	-	557.67
Short term borrowings	1,196.44	177.47	-	-	1,373.90
Trade payables	4,896.70	-193.75	-	-	4,702.95
Other current financial liabilities	3,540.84	-	-	-	3,540.84

Cash flows from operating activities are reported using the indirect method.

The accompanying notes form an integral part of the consolidated financial statements

1 Corporate information:

The Consolidated Ind AS financial statements of Zuari Infracore India Limited [CIN: U45309KA2007PLC043161] and its Subsidiary ("hereinafter collectively referred as the "Company" / the "Group") and its associates are for the year ended 31 March 2018. The Company is domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Group's primary business is pre-dominantly into the business of developing long term real estate projects (residential cum commercial property intended for sale).

The consolidated financial statements were approved for issue in accordance with a resolution of the directors passed on meeting held through video conference and other visual means (VC) dated May 12, 2021.

2 Significant accounting policies:

(a.) Basis of preparation

The consolidated financial statements of the group have been prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and in accordance with the reporting requirement under Companies Act, 2013 ("the Act"), to the extent notified.

These Accounting policies have been consistently applied by the group in the preparation and presentation of these financial statements except where a newly issued/ notified accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy which was in use.

Current and Non-current classification

All Assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. As the Company is engaged in developing a residential cum commercial project, the normal operating cycle is based on the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has ascertained its operating cycle at least 12 months after the reporting date for the purpose of Current - Non-current classification of assets and liabilities, which is considered appropriate.

The consolidated financial statements are presented in Indian Rupees and all the amounts disclosed in the financial statements have been rounded off to the nearest lakhs pursuant to the requirements of schedule III of the Companies Act, 2013., except when otherwise indicated.

(b.) Basis of consolidation

The consolidated financial statements comprise the financial statements of the Parent Company, its subsidiaries, and its associates as at 31 March 2021. Control is achieved when the Group has power over the investee, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns through its power over the investee.

Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

(c.) Consolidation procedure

These consolidated financial statements have been prepared following the below mentioned procedures:

(1.) Subsidiary has been consolidated on a line-by-line basis by combining together the book values of the like items of assets, liabilities, income, expenses, and cash flows of the parent with those of its subsidiary, offsetting (eliminating) the carrying amount of the parent's investment in subsidiary and the parent's portion of equity of each subsidiary and after eliminating all significant intra-group balances and intra-group transactions and also unrealized profits or losses.

(2.) Interests in the assets, liabilities, income and expenses of the Associates over which the Group has significant influence but not control have been consolidated using Equity method. Under the equity method of accounting, the investment in an associate is initially recognised at cost and the carrying amount is increased or decreased to recognise the investor's share of the profit or loss of the investee after the date of acquisition.

(3.) The difference of the cost to the Group of its investment in Subsidiary over its proportionate share in the equity of the investee Group as at the date of acquisition of stake is recognized in the financial statements as Goodwill or Capital Reserve, as the case may be. While in the case of Associates such Goodwill or Capital Reserve is adjusted to the carrying value of investments.

(4.) The intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group (including profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets) are eliminated in full. Intragroup losses indicating an impairment are recognised in the consolidated financial statements. Pursuant to Ind AS12 on Income Taxes the temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions are recognised.

(5.) Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the Parent Company of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. However the minority interests has been restricted to zero on the transition date i.e. April 1, 2015 using the exemption provided by the Ind AS 101 and the accumulated losses attributable to the minorities in excess of their equity on the transition date, in the absence of the contractual obligation on the minorities, the same has been accounted for by the Parent Company.

(6.) The financial statements of the group entities used for the purpose of consolidation are drawn up to same reporting date as that of the Group i.e. year ended 31 March 2021.

List of Subsidiaries and Associates considered for consolidation:

(A) Following Wholly Owned Foreign Subsidiary has been consolidated on line by line basis:

Name of the Group	Country of Incorporation	Share of Ownership Interest as at 31 March 2021	Share of Ownership Interest as at 31 March 2020
Zuari Infra Middle East Limited	Dubai, UAE	100.00%	100.00%

The information relating to the subsidiary of Zuari Infra Middle East Limited is given below

Name of the Group	Country of Incorporation	Share of Ownership Interest as at 31 March 2021	Share of Ownership Interest as at 31 March 2020
Zuari Infraworld SJM Properties LLC (Refer Note below)	UAE	100.00%	100.00%

Note: Shareholding in Zuari Infraworld SJM Properties LLC includes 51% held by a nominee shareholder as per the Shareholders Agreement dated 18 August 2014. As per the terms of this agreement Zuari Infra Middle East Limited has complete control over the management and accordingly this Company has been considered as a subsidiary with 100% interest and thus consolidated. The paid up share capital corresponding to the 51% interest has been included under other current liabilities, which is considered appropriate by the Management.

(d.) Going Concern

As per the consolidated financial statement for the year ended 31 March 2021 of Zauri Infra Middle East Limited, a subsidiary and also as detailed in Note 4.6, although accumulated losses amounted to more than 50% of the subsidiary's paid up share capital, the accompanying consolidated financial statements have been prepared on the basis that the group will continue as a going concern. The Management of the subsidiary company has considered subsidiary company as a going concern for the following reasons:

- (a) The real estate market of Dubai has improved as compared to last year
- (b) The parent entities and JV Partners have resolved not to dissolve the group and continue its operations availing funding from the banks and or venture capital against the securities of the parent entities.
- (c) The management will obtain the approvals for the project which were lapsed due to significant delays in commencement of project, submitting required applications and documents.
- (d) The parent entities have full confidence in the successful completion of the project and have agreed to provide and or make an alternative financial and the business arrangements for the successful completion of the project and to meet with its financial requirements.
- (e) The management is confident about off plan sale of units under new brand name by the second half of the financial year to end 31 March 2023 enabling the group to generate cash flow to meet with the development cost.
- (f) The existing creditors and lender of unsecured loans have agreed to extend their support and once the project construction work is commenced, the creditors support will be further gained.
- (g) As per the revised forecast prepared by the management, the operating and financial performance are positive and profitable.
- (h) Key executive management is in place with the company and its parent entities and upon commencement of the additional project manager / officials will be inducted.

(i) There are no changes in government legislation that may adversely affect the company.

(B) Following Investments in Associates have been consolidated using Equity Method of Accounting:

Name of the Group	Country of Incorporation	Share of Ownership Interest as at 31 March 2021	Share of Ownership Interest as at 31 March 2020
Brajbhumi Nirmaan Private Limited * [based on consolidated financial statements including its subsidiaries is given below]	India	25%	25%
Pranati Niketan Private Limited	India	25%	25%
Darshan Nirmaan Private Limited	India	25%	25%

* As at 31 March 2021, Brajbhumi Nirmaan Private Limited holds 50% (2020: 50%) each in Pranati Niketan Private Limited and Darshan Nirmaan Private Limited respectively.

The information relating to the subsidiaries of Brajbhumi Nirman Private Limited (BNPL), an associate are given below:

Name of the Group	Country of Incorporation	Share of Ownership Interest as at 31 March 2021	BNPL's share of Ownership Interest as at 31 March 2021
Rosewood Agencies Private Limited	India	100.00%	25.00%
Neobeam Agents Private Limited	India	100.00%	25.00%
Mayapur Commercial Private Limited	India	100.00%	25.00%
Nexus Vintrade Private Limited	India	100.00%	25.00%
Bahubali Tradecomm Private Limited	India	100.00%	25.00%
Hopeful Sales Private Limited	India	100.00%	25.00%
Divine Realdev Private Limited	India	100.00%	25.00%
Kushal Infraproperty Private Limited	India	100.00%	25.00%
Beatle Agencies Private Limited	India	100.00%	25.00%
Suhana Properties Private Limited	India	100.00%	25.00%
Saket Mansions Private Limited	India	100.00%	25.00%

Name of the Group	Country of Incorporation	Share of Ownership Interest as at 31 March 2020	BNPL's share of Ownership Interest as at 31 March 2020
Rosewood Agencies Private Limited	India	100.00%	25.00%
Neobeam Agents Private Limited	India	100.00%	25.00%
Mayapur Commercial Private Limited	India	100.00%	25.00%
Nexus Vintrade Private Limited	India	100.00%	25.00%
Bahubali Tradecomm Private Limited	India	100.00%	25.00%
Hopeful Sales Private Limited	India	100.00%	25.00%

(d.) Use of accounting estimates, accounting judgements, and assumptions:

Preparation of these financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. Such estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the year.

The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of such assumptions in these financial statements have been disclosed in the ensuing notes. Accounting estimates could change from year to year and also actual results could differ from those estimates. Appropriate changes in estimates are made as Management becomes aware of changes in circumstances surrounding these estimates. Changes in estimates are reflected in the financial statements in the year in which changes are made and their effects, if material, are disclosed by way of notes to the financial statements.

Significant accounting judgements, estimates and assumptions :

(i.) Useful life of Property, plant & equipment:

The determination of estimated useful lives and expected residual values are based on the technical evaluation carried by the Company and these are reviewed by the Management of the Company at each reporting date.

(ii.) Impairment of financial assets and evaluation of impairment indicators:

The evaluation of applicability of impairment indicators for an assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets. As at the balance sheet date based on the historical default rates absorbed over the expected useful life, the Management assess the fair value of various financial assets and liabilities and their resultant fair values.

(iii.) Impairment of non-financial assets:

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less cost of disposal and its value in use. The calculation of fair value less costs of disposal is based on available data from binding sales transaction conducted at arms' length for similar assets or observable market prices / guidance value less incremental cost for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from budget for the future years and do not include any restricting activities not committed for or significant future investments that will enhance the performance of the assets of the CGU being tested. The recoverable amount is sensitive to the discount rates used for the DCF model as well as the expected future cash flows and the growth rate used for extrapolation purposes.

(iv.) Contingencies:

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events, which may or may not occur.

(v.) Construction work-in-progress

The Company holds inventories stated at the lower of cost and net realisable value. Such inventories include land, work in progress and completed units. Considering the nature of the activity and, in particular the scale of its developments and the length of the development cycle, the Company has to allocate project-wide development costs between units being built. It also has to forecast the costs to complete on such developments.

In making such assessments and allocations, there is a degree of inherent estimation uncertainty; in particular due to the need to take account of future direct input costs, sales prices and the need to allocate project-wide costs on an appropriate basis to reflect the overall level of development risk, including planning risk. The Company has established internal controls designed to effectively assess and review inventory carrying values and ensure the appropriateness of the estimates made. These assessments and allocations evolve over the life of the development in line with the risk profile, and accordingly the margins reflects these evolving estimates. Similarly, these estimates impact the carrying value of inventory at each reporting date as this is a function of costs incurred in the year and the allocation of inventory to costs of sales on each property sold.

(vi.) Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

(vii.) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(viii.) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 on Leases. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics. The Company reassess the option when significant events or changes in circumstances occur that are within the control of the lessee.

(e.) Property, plant and equipment and Depreciation**(i.) Property, plant and equipment**

The Property, plant and equipment ('PPE') of the Company are stated at historical cost less accumulated depreciation and impairment losses, if any. The cost comprises of the purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its current working condition for the intended use. Any discounts or rebates are deducted in arriving at the purchase price. Subsequent expenditure related to an item of PPE is added to its book value only if it increased the future benefits from the existing assets beyond its previously assessed standard performance.

Recognition principle:

The cost of an item of property, plant and equipment is recognised as an asset if, and only if:

- (i.) it is probable that future economic benefits associated with the item will flow to the Company; and
- (ii.) the cost of the item can be measured reliably.

De-recognition principle:

Gain/ (losses) arising from the de-recognition of a PPE are measured as the difference between the net proceeds on disposal and the carrying amount of the PPE. The resultant gain/(losses) are recognised in the Profit or Loss statement when the PPE is de-recognised.

(ii.) Depreciation

Depreciation is calculated on the Straight Line basis over the estimated useful life of the PPE after retaining estimated residual value not exceeding 5% of the original cost, except for Leasehold improvements and aluminium panels used for construction. Depreciation on assets used for the project has been considered as part of construction and development cost. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if considered appropriate.

Upon adoption of Ind AS, the Company has elected to measure all its property, plant and equipment at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS i.e., 1 April 2015.

The Company has estimated the useful lives which is detailed as under for each category of PPE:

Name of Assets	Useful Lives
Office Equipment	5 years
Plant & Machinery (P&M)	8 years
Furniture & Fixtures	10 years
Computer and servers	5 and 6 years
Motor Vehicles	10 years
Leasehold Improvements	Over the primary lease period (10 years)
Aluminium panel used for construction (P&M)	4 years
Temporary structure	1 year

(f.) Intangible Assets and Amortisation**(i.) Intangible Assets**

Intangible assets acquired separately are measured on initial recognition at cost. Subsequent to initial recognition, the intangible assets are stated at cost less accumulated amortisation and impairment losses, if any.

Recognition:

The cost of an item of intangible asset is recognised as an asset if, and only if:

- (i.) it is probable that future economic benefits associated with the item will flow to the Company; and
- (ii.) the cost of the item can be measured reliably.

De-recognition:

Gain/ (losses) arising from the de recognition of intangibles are measured as the difference between the net proceeds on disposal and the carrying amount of the intangibles. The resultant gain/(losses) are recognised in the Profit and Loss statement when the intangible asset is de-recognised.

(ii.) Amortisation

The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with finite lives are amortized on the Straight Line basis over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. The amortisation expense on intangible assets with finite lives is recognised in the profit and loss statement unless such expenditure forms part of carrying value of another asset. Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Intangible assets representing computer software is amortised on the straight line basis over a estimated useful economic life of five years.

Upon first-time adoption of Ind AS, the Company had elected to measure all its intangible assets at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS i.e., 1 April 2015.

(g.) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

(i.) The Company as a Lessee:

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the lease term or useful life of right-of-use asset, whichever is earlier. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability and reducing the carrying amount to reflect the lease payments made. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 on Leases to short-term leases of all assets that have a lease term of 12 months or leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

Lease contracts entered by the Company majorly pertains for buildings taken on lease to conduct its business in the ordinary course. The Company does not have any lease restrictions and commitment towards variable rent as per the contract.

(ii.) The Company as a Lessor:

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease.

When the Company is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Company applies the exemption described above, then it classifies the sub-lease as an operating lease and recognises lease income accordingly.

If an arrangement or contract contains lease and non-lease components, the Company applies Ind AS 115 Revenue from contracts with customers to allocate the consideration in the contract.

(iii.) Transition

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which supersedes the existing lease standard, Ind AS 17 Leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors.

The Company has adopted Ind AS 116, effective from the financial year beginning April 1, 2019 and applied the standard to its leases, using the modified retrospective method with cumulative effect of initially applying the standard, recognised on the date of initial application (i.e., April 1, 2019). Accordingly, the Company has not restated comparative information, instead, the cumulative effect of initially applying this standard has been recognised as an adjustment to the opening balance of retained earnings as on 1 April 2019.

Refer note 2(e) – Significant accounting policies – Leases in the consolidated financial statements of the Company for the year ended 31 March 2019, for the accounting policy pursuant to Ind AS 17.

(h.) Impairment**(i.) Financial assets (other than at fair value)**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix. For all other financial assets, expected credit losses are measured at an amount equal to the 12-months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii.) Non-financial assets (Tangible and intangible assets)

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the profit and loss statement.

(i.) Borrowing Costs

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing cost also includes exchange differences, if any to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs that are directly attributable to the construction of development property are capitalized as part of the cost till such time the property is ready for its intended sale. All other borrowing costs are expensed in the year they occur.

Borrowing costs during an extended period in which it suspends the activities necessary to prepare an asset for its intended use or sale. Such costs are costs of holding partially completed assets and do not qualify for capitalisation. However, the Company does not normally suspend capitalising borrowing costs during a period when it carries out substantial technical and administrative work. The Company also does not suspend capitalising borrowing costs when a temporary delay considering the nature of industry, is a necessary part of the process of getting an asset ready for its intended use or sale.

(j.) Foreign Currency Translation

The Company's financial statements are prepared and presented in Indian Rupees, which is also its functional currency.

Initial Recognition:

Foreign currency transactions, if any, are recorded at exchange rate prevailing on the date of transaction/realisation.

Conversion / Reinstatement:

Foreign currency monetary items are translated using the exchange rate prevailing at the reporting date. Non-monetary items that are measured in terms of historical cost denominated in a foreign currency are translated using the exchange rate at the date of the initial transaction. Non-monetary items measured at fair value denominated in a foreign currency are, translated using the exchange rates that existed when the fair value was determined.

Exchange Differences:

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise

The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in other comprehensive income (OCI) or profit and loss are also recognized in OCI or profit and loss, respectively).

(k.) Inventories

The cost of inventories shall comprise all costs of purchase including cost of land, costs of conversion and other costs including borrowing costs incurred in bringing the inventories to their present location and condition.

Inventories (comprising Land under Development and Construction Work-in-Progress) are stated at lower of cost and net realizable value. Cost includes expenses, net of taxes recoverable, specifically attributable to construction and development of property intended for sale. The allocation of common costs is based on the normal level of the activities.

Construction work-in-progress of constructed properties include the cost of land, internal development costs, external development charges, construction costs, overheads, borrowings cost, development/construction materials and is valued lower of cost/estimated cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and estimated cost necessary to make the sale.

(l.) Provisions and Contingent Liabilities

(i.) Provisions

A provision is recognised when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the profit and loss statement net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(ii.) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

(m.) Revenue Recognition

The Company derives revenues primarily from development and sale of residential cum commercial properties and related services, maintenance and consulting. Effective 1 April 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative effect transition method being applied to contracts that were not completed as of 1 April 2018.

Revenues from customer contracts are considered for recognition and measurement when the contract has been approved by the parties, in writing, to the contract, the parties to contract are committed to perform the irrespective obligations under the contract, and the contract is legally enforceable. Revenue is recognized upon transfer of control over the promised products or services ("performance obligations") to customers in an amount that reflects the consideration the Company has received or expects to receive in exchange for these products or services ("transaction price"). When there is uncertainty as to collectability, revenue recognition is postponed until such uncertainty is resolved.

To determine whether to recognize revenue, the Company follows a five step model as envisaged in Ind AS 115 given below:

Identifying the contract with a customer

Identifying the performance obligations

Determining the transaction price

Allocating the transaction price to the performance obligations

Recognizing revenue when/as performance obligation(s) are satisfied.

(i.) Identify the Contract with Customer

The Company evaluates whether a valid contract is satisfying all the following conditions:

- All parties have approved the agreement (may be oral or written)
- All parties are committed to approve their obligations.
- Each party's rights are identifiable.
- The contract has commercial substance.
- Collectability is probable.

(ii.) Identifying the performance obligations

The Company evaluates the separability of the promised goods or services based on whether they are 'distinct'. A promised good or service is 'distinct' if both:

- the customer benefits from the item either on its own or together with other readily available resources, and
- it is 'separately identifiable' (i.e. the Company does not provide a significant service integrating, modifying or customizing it)

(iii.) Determining the transaction price

The Company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price excludes amounts collected on behalf of third parties. The consideration promised include fixed amounts, existence of any financial component and any other non-cash consideration, or both.

Where the Company has a right to consideration from a customer in an amount that corresponds directly with the value to the customer of the performance completed to date, the Company recognizes revenue in the amount to which it has a right to invoice.

(iv.) Allocating the transaction price to the performance obligations

The transaction price is allocated to the separately identifiable performance obligations on the basis of their standalone selling price. For services that are not provided separately, the standalone selling price is estimated using adjusted market assessment approach.

(v.) Recognizing revenue when/as performance obligation(s) are satisfied.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Revenue is recognized either at a point in time or over time, when (or as) the Company satisfies performance obligations by transferring the promised goods or services to its customers.

The main revenue streams for Zuari Infraworld India Limited relate are as under:

- Residential cum commercial properties (constructed properties)
- Development Management Services.
- Sales Commission.

Revenue from sale of residential cum commercial properties (constructed properties)

The Company develops and sells residential cum commercial properties. Revenue is recognised when control over the property has been transferred to the customer. The properties have generally no alternative use for the company due to contractual restrictions. Enforceable right to payment does not arise until legal title or possession of the property is deemed to have been passed to the customer. Therefore, revenue is recognised at a point in time when the legal title has been passed to the customer or possession of property is deemed to have been passed to the customer. Each unit of the flats or properties are classified as a separate performance obligation and revenue is recognised upon legal transfer of asset to buyer or when the possession of property is deemed to have been passed to the customer.

The revenue is measured at the transaction price agreed under the contract. In most cases, the consideration is linked with the process of construction and does not involve any significant financial component.

The Company has not adjusted the promised amount of consideration for the effects of a significant financing component. In the view of the Management of the Company, the contract with a customers would not have a significant financing component as there is no difference between the promised consideration and the cash selling price of the residential units (as described in paragraph 61 and 62 of Ind AS 115) had the same been sold on full cash basis.

Income from sale of services

Income from service contracts which is in the nature of fees for specified periods are recognised on accrual basis to the extent the services have been rendered and invoices are raised in accordance with the contractual terms with the customers and recoveries are reasonably certain.

Sales Commission from sale of plots/ residential units

Commission from sale of plots/ residential flats upon sale of the plots/ flats as per the terms of contract and recoveries are reasonably certain.

Other income

Other income comprises of interest income, dividend income and gain/loss on investments. Interest income is recognized on accrual basis using the effective interest method. Dividend is recognised as and when the right to receive payment is established by the reporting date, which is generally when shareholders approve the dividend.

(n.) Taxes on income**(i.) Current income tax**

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities using own estimates in accordance with the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii.) **Deferred tax**

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax relating to items recognised outside profit or loss statement is recognised outside profit or loss (either in other comprehensive income or in equity).

(o.) **Retirement and other Employee Benefits**

(i.) **Provident Fund**

Retirement benefit in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Profit and Loss statement of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable under the scheme.

(ii.) **Gratuity**

Gratuity liability under the Payment of Gratuity Act 1972, are defined benefit obligations and are provided for on the basis of actuarial valuation on projected unit credit method, made at the end of each financial year. The gratuity liability is not funded.

(iii.) **Compensated Absences**

Short term compensated absences are provided for based on estimates by the Management considering the entitlements outstanding as at the reporting date. Long term compensated absences are provided for based on actuarial valuation made at the end of each financial year. The actuarial valuation is done as per projected unit credit method.

Remeasurements:

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss statement in subsequent periods. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

(p.) **Financial Instruments**

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(i.) **Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii.) **Financial assets at fair value through other comprehensive income**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in other comprehensive income.

(iii.) **Financial assets at fair value through profit or loss**

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

(iv.) **Financial liabilities**

Financial liabilities are measured at amortised cost using the effective interest method.

(v.) **Equity instruments**

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are recognised at the proceeds received net off direct issue cost.

(vi.) **Financial guarantee contracts**

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument.

Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

(q.) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to the equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(r.) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. Chief operating decision maker reviews the performance of the Company according to the nature of business which primarily comprises of development of real estate projects , both residential and commercial.

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting financial statements of the Company as a whole.

(s.) Equity, reserves and dividend payments

Share capital represents the nominal (par) value of shares that have been issued.

Share premium includes any premiums received on issue of share capital. Any transaction costs associated with the issuing of shares are deducted from share premium, net of any related income tax benefits.

Retained earnings are adjusted for the following:

- Re-measurement of net defined benefit liability-comprises the actuarial losses from changes in demographic and financial assumptions and the return on plan assets

All transactions with owners of the parent are recorded separately within equity.

Dividend distributions payable to equity shareholders are included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

(t.) Cash and cash equivalents

Cash and cash equivalents in the cash flow statement comprises cash at bank and in hand and short term investments with an original maturity periods of three months or less.

For the purpose of the Statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if any as they are considered an integral part of the Company's cash management.

(u.) Investments

Investments in subsidiary, Joint Ventures and Associates are accounted at their cost in the separate financial statements. Investment in preference shares in Associates and mutual funds are accounted for at fair value through profit and loss (FVTPL) at the reporting date.

(v.) Recent Accounting pronouncements:

Ministry of Corporate Affairs ('MCA') notifies new standards or ammendments to the existing standards. There were no such new standards or ammendments which have been notified or made applicable with effect from 01 April 2021.

4.1 Non-current		
(i) Investments in equity instruments carried at cost (Unquoted)		
Investment in Associates		
Brajbhumi Nirmaan Private Limited		
As at the beginning of the year	2,285.74	697.49
Adjustment for share of profit/(loss) in Associates	(7.52)	(1.75)
	2,278.22	695.73
Adjustment for Goodwill on Consolidation		1,590.01
	2,278.22	2,285.74
The Company holds 10,00,000 (2020:10,00,000) Equity Shares of Rs.10 each, issued at a premium of Rs 179.40 per share.		
Darshan Nirman Private Limited		
As at the beginning of the year	(0.40)	(0.40)
Adjustment for share of profit/(loss) in Associates (refer note below)	-	-
	(0.40)	(0.40)
Adjustment for Goodwill on Consolidation	0.36	0.36
	(0.04)	(0.04)
The Company holds 2,500 (2020:2,500) Equity Shares of Rs 10 each.		
Pranati Niketan Private Limited		
As at the beginning of the year	(0.34)	(0.34)
Adjustment for share of profit/(loss) in Associates (refer note below)	-	-
	(0.34)	(0.34)
Adjustment for Goodwill on Consolidation	0.36	0.36
	0.02	0.02
	2,278.20	2,285.73
The Company holds 2,500 (2020: 2,500) Equity Shares of Rs 10 each.		

Note: The interest in associates is the carrying amount of the investment in the associate determined using the equity method. During the year since the entity's share of losses in two of its associates equals or exceeds its interest in the associate, the entity has discontinued recognising its share of further losses.

(ii) Investments in redeemable non-cumulative optionally convertible preference shares
Unquoted Investments in preference shares in associate carried at fair value through Profit or Loss: (fully paid)

Brajbhumi Nirmaan Private Limited (Refer Note 4.4. below)	667.00	672.00
[5,00,000 shares of Rs 100 each, fully paid, Date of Maturity 30 November 2023] (1% Redeemable Non-Cumulative optionally convertible preference shares) (Initial Cost : Rs.500 lakhs)		
	667.00	672.00

Note: As per the audited consolidated financial statement of the associate entity the investment in optionally convertible preference shares have been considered as compound financial instrument.

(iii) Investments in mutual funds (Quoted)
Investments at fair value through Profit or Loss:

SBI Debt Fund Series C - 1 (1100 Days) Direct Growth		1,676.27
[1,50,00,000 units (2019: 1,50,00,000 units) at Rs 10 per unit, Date of Maturity June 26, 2020]		
ICICI Prudential Corporate Bond Fund - Direct plan - Growth		2,813.79
[1,30,81,249 units (2019: Nil units) at Rs 20 per unit]		
SBI Debt Fund Series C - 23 (1100 Days) Direct Growth	2,491.24	2,319.42
[2,00,00,000 units (2019: 2,00,00,000 units) at Rs10 per unit, Date of Maturity September 03, 2021]		
SBI Debt Fund Series C - 16 (1100 Days) Direct Growth	1,592.69	1,495.43
[1,26,70,900 units (2019:1,26,70,900 units) at Rs.10 per unit, Date of Maturity June 01, 2021]		
SBI Magnum low duration fund Direct Growth		1,156.27
[43,965 units (2019: Nil units) at Rs.10 per unit]		
	4,083.93	9,461.17
	7,029.14	12,418.90

Note: The above balance of investment in mutual funds are as per the statement accounts from that fund.

4.2 Summary of Investment and their valuation (Also, refer note 36):

Investment Class	Method of Valuation	As at	As at
		31 March 2021	31 March 2020

* based on the valuation report issued by an independent firm of chartered accountants.

4.3 Investments in mutual funds

Investments in mutual funds are held under lien in favour of Yes bank Limited, GIFT City for providing finance facility to Zuari SJM Properties LLC, Dubai, a step down subsidiary. All the investments in mutual funds are carried as non-current as they are expected to either be renewed / re-invested on their maturity. Further, Investment of funds in mutual funds will not meet the contractual cash flow test (i.e. SPPI test) as the contractual cash flows (i.e. Dividends or redemption amount represented by the NAV) will not just be solely interest and principal. Therefore, the same has been classified as Fair Value through profit and loss (FVTPL). (Also refer note 30.3 of the consolidated financial statements)

The details of Investments in mutual funds sold during the year are given below:

Descriptions	For the year ended 31 March 2021			For the year ended 31 March 2020		
	Carrying value	Sale Proceeds	Gain/Income	Carrying value	Sale Proceeds	Gain/Income

	6,096.32	6,137.45	41.13	3,746.89	3,775.21	28.32

4.4 Investments in Redeemable optionally convertible Non-cumulative Preference Shares:

Company has made investment in 1% Redeemable optionally convertible Non-cumulative Preference Shares of Brajbhumi Nirmaan Private Limited, an associate. These investments in shares does not satisfy contractual cash flow test as they are optionally convertible into equity shares and their dividends are linked to profits earned. Accordingly, the Company has classified these investments in shares at Fair value through profit and loss (FVTPL). The fair valuation for this purpose was carried by an Independent firm of Chartered Accountants.

4.5 Investment by Zuari Infraworld SJM Properties LLC, Dubai

During the financial year ended 31 March 2019, the step down subsidiary company has made subscription for 50% share in the issued share capital of Burj District Development Ltd ("JV Company"), Cayman Islands made up of 25,000 shares of B class of US\$ 1 each as per JV agreement. The joint venture is engaged to carry out any activities which is not prohibited by the Companies Law (2011 revision) of Cayman Islands.

The JV Company has not opened bank account and hence the share capital is not contributed by the subsidiary company. The JV Company's incorporation and renewal expenses are accounted in subsidiary's books of account. The JV Company hold 1 share in Burj District One Limited, Jebel Ali Offshore Company, Dubai, UAE, which owns a plot of land on which the project "St Regis Residencies" is being developed by the subsidiary company. Post completion of the project, profitability and its sharing between the JV partners will be separately determined extracting qualifying costs and revenue from that company's account.

The subsidiary company's interest in an joint venture is accounted for using the equity method in the financial statements.

4.6 Accumulated losses of Zuari Infra Middle East Limited, a subsidiary company.

The subsidiary company has incurred a loss of AED 15.59 lakhs (equivalent Rs. 321.15 lakhs) during the year (2019: AED 32.45 lakhs (equivalent Rs. 610.95 lakhs)) and has accumulated losses of AED 70.76 lakhs (equivalent Rs.1457.65 lakhs) (2019: AED 55.16 lakhs (equivalent Rs.1038.52 lakhs)) as of that date resulting in deficit in equity funds. This situation is not in compliance with U.A.E. Federal Law No.2 of 2015. The deficit is due to start-up phase of the project and the parent entities and the joint venture partners have funded the projects in kind. They have agreed to continue their support. The revised cash flow forecast shows positive and profitable financial performance.

One of the operating creditors of one of the Agency company has initiated insolvency proceeding against that Company. The management does not expect any significant effect of the same on its carrying balance and expects to adjust/recover the same in full and accordingly no adjustment is considered necessary at this stage and these balances are subject to confirmation from that party.		
7.4 Goods and Service Tax Input credits carried in the books includes input tax credits aggregating to Rs. lakhs 46.44 lakhs (2020: 52.02 lakhs) relating to advance payments to vendors and unpaid vendors bills beyond time period stipulated under GST Law, which will be claimed in the returns in the subsequent periods when the company is eligible to claim such credits under the provisions of the GST Law.		
7.5 Represents Goods and Service Tax paid on export of services which is expected to be claimed as refund. The Company has filed the refund application and expects to realise the same in full.		

ZUARI INFRAWORLD INDIA LIMITED

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

(All Amounts in Indian Rupees in lakhs, unless otherwise stated)

7.6 Includes recoverable advances paid to a sub-contractor amounting to Rs.2,246.49 lakhs (2020 Rs 2,246.49 lakhs). The Management is in negotiation with that party for its recovery including interest accrued Rs.33.72 lakhs (2020 Rs.33.72 lakhs) as disclosed in Note 6.2 and is confident that this advance will be ultimately fully recovered by the Company or through other companies of the Adventz Group. Hence in the view of the Management no provision is considered necessary at this stage.

7.7 Includes Rs.187.45 lakhs (2020 Rs.228.71 lakhs) on account of brokerage & sales commission paid to an agency for services, on gross sale consideration receivable from customers. As per the agreement, in the event of non-completion of sale transaction, such commission is refundable by the agency. The commission paid is charged to the Profit & Loss Statement as and when revenue is recognised on a proportionate basis.

7.8 **Other receivables includes from related parties;**
Adventz Trading DMCC 15.68 37.85

Other receivables also includes recoverable from Indian Furniture Product Limited, a subsidiary of the holding company as per the unconditional undertaking given by the said company in respect of sale of residential unit to one of the customer.

7.10 This includes advance amount paid Rs. 4,180.05 lakhs (2020: 4,326.00 lakhs) to a related party (Joint venturer) as per Property Development Contract towards purchase of land on which "St. Regis Residencies" project is being developed by the company. The balance amount of Rs.23,687 lakhs (AED 119 million considered at rate of Rs.19.90 / AED as at the reporting date) will be paid on completion of the project. The total value of the land is taken at Rs.27,867 lakhs (AED 140 million considered at rate of Rs.19.90 / AED as at the reporting date) as per the valuation. The land value will be accounted in the books on registration of the project with RERA. During the previous year this amount was disclosed as advance for land in the financial statements of the subsidiary.

8 Inventories	As at	As at
(valued at lower of cost or net realizable value)	31 March 2021	31 March 2020
Completed units (Refer Note 8.1. below)	883.35	2,395.34
Construction Work-In-Progress (includes cost of Land , Borrowing Cost and Project Construction and Development Cost) (Refer Note 8.2.and 8.3 below)	30,041.97	26,015.42
Development Work-In-Progress relating to subsidiary (Refer Note 8.4 below)	31,789.79	30,375.18
	62,715.10	58,785.94

8.1 Represents residential units in respect of which company has entered into agreement for sale with the respective customers, amounts received against these agreements by the company has been reported as advance from customers in Note No. 19. Pending receipt of balance consideration and execution of absolute sale deed effecting the transfer of legal title/deemed handover of the property, the same is reported as Inventory.

8.2 Includes Rs.3,484.63 lakhs (2020: Rs.2,980.86 lakhs) being cost incurred towards project in Goa managed by M/s. Zuari Global Limited which is pending formalising the terms and conditions. These balances are subject to confirmation from that party however, the Management of the company expects these costs to be recovered in full.

8.3 The Management has reviewed the carrying value of its construction work-in-progress by assessing the net realisable value of the project which is determined by forecasting sales rates, expected sale prices and estimated costs to complete (including escalations and cost overrun). This review by the management did not result in any loss and thus no adjustments/ provisions to the carrying value of project work-in-progress was required and external valuation was not considered necessary by the Management. In respect of early stage projects, the underlying fair value of land based on valuation report of chartered engineer was considered for the purpose of determining the net realisable value and the carrying value of the construction work-in-progress was found to be less than the net realisable value so ascertained.

8.4 As no major construction work is carried out pending final design and the financial re-structuring of the project. The management has reviewed the carrying value of its development work-in-progress by assessing the net realizable value of the project which is determined by forecasting sales rates, expected sale prices and estimated costs to complete (including escalations and cost overrun). This review by the management did not result in any loss and thus no adjustments/ impairment to the carrying value of development work-in-progress was required. The same was also ascertained by a feasibility study done by a 3rd party which was done on the behest of the management. Consequently, the management has decided to carry out professional independent valuation of development work in progress after obtaining revised approval from authorities and post appointment of contractor which will happen during current financial year 2021-22
Refer Note No. 13 for the information on construction work in progress pledged as security by the company.

(All Amounts in Indian Rupees in lakhs, unless otherwise stated)

Non-Convertible Cumulative Redeemable Preference Shares of Rs 10 each, issued at premium Rs 90 per	As at 31 March 2021		As at 31 March 2020	
	In No's	In %	In No's	In %
Mr. Saroj Kumar Poddar	8,500,000	74%	8,500,000	74%
Texmaco Infrastructure & Holdings Limited	2,950,000	26%	2,950,000	26%
Outstanding at the end of the year	11,450,000	100%	11,450,000	100%

(iii) Rights, preferences & restrictions attached to Non-Convertible Cumulative Redeemable Preference Shares:

The Company has only one class of non-convertible preference share having a par value of Rs 10 per share, carrying coupon rate of 8.5% per annum which are cumulative in nature and redeemable on 08 Dec 2024 (70,00,000 Shares), 30 July 2025 (15,00,000 Shares) and 31 March 2022 (29,50,000 Shares) respectively. The Company has extended the redemption period of 15,00,000 preference shares which was due on 31 March 2021 to 30 July 2025. Each holder of preference shares is entitled to one vote per share on resolutions placed before the company. These shares are redeemable at a price band of Rs 125 - Rs 150 per preference share.

- (iv) Pursuant to Schedule III of the Companies Act 2013 ("the Act"), for companies whose financial statements are drawn up in compliance of the Companies (Indian Accounting Standards) Rules, 2015 read with Indian Accounting Standard 32 - Disclosure of Financial Instruments, Non-convertible redeemable cumulative preference shares which are settled in cash needs to be classified as 'financial liability' and not 'equity'. Accordingly company has computed the fair value of these preference shares considering the effective interest rate (EIR) at 14% and the portion computed as 'Borrowing' amounting to Rs.1,108.59 lakhs (2020 : Rs.1058.66 lakhs) has been classified under 'Long-term Borrowings' and the portion computed as the deemed equity amounting to Rs. 415.96 lakhs (2020 : Rs.415.96 lakhs), net of taxes has been reported under 'Other Equity'.

With respect to premium received on issue as well as the additional premium payable on redemption of preference shares no adjustments/ disclosures has been carried out as contemplated in Ind-AS 32 and Ind-AS 109 read with Schedule III of the Act, since such classification of the 'securities premium account' into 'borrowings' or 'other equity' will be inconsistent with the provisions of section 52 of the Act which stipulates the manner in which the securities premium account can be utilised. Also the additional premium payable on the redemption has not been recognised in the absence of the accumulated profits since recognition of such a liability will be violative of section 55 of the Act.

Considering above, the Company has been legally advised that no further recognition or adjustments to the premium amounts are required in view of the specific provisions of section 52 and 55 of the Act. Accordingly, no adjustments as required under Ind-AS 32 and Ind-AS 109 read with Schedule III of the Act are made in respect of the premium payable on redemption

14 Lease Liabilities	As at 31 March 2021	As at 31 March 2020
14.1 Non-Current		
Lease Liability	425.52	491.75
	425.52	491.75
14.2 Current		
Lease Liability	65.92	65.92
	65.92	65.92
	491.44	557.67

14.3 Other Notes on leases

The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases, retrospectively, with the cumulative effect of initially applying the standard, recognised on the date of initial application (April 1, 2019). Accordingly, the Company has not restated comparative information, instead, the cumulative effect of initially applying this standard has been recognised as an adjustment to the opening balance of retained earnings as on April 1, 2019.

On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of Rs.256.70 lakhs, 'Net investment in sublease' of ROU asset of Rs.214.78 lakhs and a lease liability of Rs.580.66 lakhs. The cumulative effect of applying the standard was debited to retained earnings, which amounted to Rs.80.79 lakhs (net of tax effect on the same Rs. 28.39 lakhs). The adoption of this standard has resulted in an increase in cash inflows from operating activities and corresponding increase in cash outflows from financing activities on account of lease payments. The details of leases for the office premises in this regard are as under.

(i) The movement in lease liabilities is as follows:

Particulars	For the year ended March 31, 2021	For the year ended March 31, 2020

Earning/(Loss) Per Share (Basic and Diluted) (Rs.)	(2.94)	(0.55)
Face value per share (Rs.)	10.00	10.00

32 Impact of Covid-19

As per the Standalone financial statements of the Company for the year ended 31 March 2021

The outbreak of Global pandemic Covid-19 has resulted in the Government of India undertaking drastic measures for containment of the disease including enforcing compulsory full lockdown. In view of these measures, the operations at the company was fully shutdown from March, 23 2020 and the company was able to resume its operations during May 2020 with limited manpower in phased manner with necessary approvals from the appropriate authority. The incremental costs incurred by the company to adhere to the standard operating procedures notified by the Government / Authorities was not significant.

The current lockdown owing to the coronavirus crisis has hugely impacted the world economy as well as a majority of sectors across the globe, including real estate. The management has considered the possible effects that may result from the Covid-19 pandemic on the carrying value of various assets including inventory, investments and loans to the subsidiaries after taking into account various internal and external information upto the date of approval of these financial statements and have concluded that they are recoverable based on the expected future performance of the Company and it's subsidiaries. The Company has also assessed various scenarios and assumptions and based on the current estimates, the management of the Company expects that the carrying amount of these assets, as reflected in the balance sheet as at March 31, 2020, are fully recoverable and that no provision/ adjustment is required.

Further, considering the effect of ongoing pandemic situation the regulatory authorities have extended the timelines for completion of ongoing projects under RERA regulations and the Management of the Company is confident of meeting the extended timelines for completion.

Considering the present financial position of the Company and its ability to raise funds, the Management of the Company doesnot foresee any adverse impact on its ability to continue as going concern and meeting its liability as and when they fall due.

The impact assessment of Covid-19 is a continuing process given the uncertainties associated with its nature as well as its duration and the Management will continue to monitor any events/changes to future economic conditions. Accordingly, the impact may be different from that estimated as at the date of approval of these financial statements.

As per the Consolidated financial statements of the Zuari Infra Middle East Limited, a subsidiary company for the year ended 31 March 2021

The breakdown of Global pandemic novel corona virus (COVID-19) has caused significant disruption to the business and economic activity across globe. Though there were no significant changes during the year, due to COVID-19 pandemic at the year end, the external circumstances have changed drastically. As the situation is fluid and rapidly evolving, it is not practicable to provide a quantitative estimate of the potential impact of this outbreak on the group at this stage.

This space has been left blank intentionally

34 Financial risk management objectives and policies

The Company's principal financial liabilities, comprise of loans and borrowings, trade and other payables, security deposits and employee dues. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables and cash and short-term deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by the finance team that advises on financial risks and the appropriate financial risk governance framework for the Company. Further, the company is primarily operating in the real estate sector which is subject to The Real Estate (Regulation and Development) Act, 2016 (RERA).

34.1 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and investments in mutual funds.

(i.) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. Term Loan facility from LIC Housing Finance Limited and Yes Bank Limited is subject to floating rate of interest based on MCLR, while the borrowings from the related entities carry interest at a fixed rates. In case of subsidiary Company except for vehicle loan and loan from related parties other than carrying floating rate of interest.

Decrease in base points	17,429.78	-50	(87.15)
For the year ended 31 March 2019			
Increase in base points	16,436.03	+50	82.18
Decrease in base points	16,436.03	-50	(82.18)

(ii.) Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency) and the Parent Company's net investments in foreign subsidiaries.

(iii.) Equity price risk

The Company's non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company's Board of Directors reviews and approves all Investment decisions.

34.2 Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables**(i.) Sale of units (Villas/ Villaments & Apartments):**

Customer credit risk is managed by "CRM team" subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer dues with respect to Customers demands are regularly monitored for proactive actions.

(ii.) Development Management Fees:

Apart from real estate activities, the Company also provides Project Development services. The Trade Receivables includes dues from these activities aggregated to Rs.404.02 lakhs (2019: Rs 499.04 lakhs)

An impairment analysis is performed at each reporting date on an individual basis for these entities. The Company does not hold collaterals as security. The Company evaluates the concentration of risk with respect to trade receivables as Nil, as its customers are related and are part of the same group and with respect of sale of flats & villas the sale deed is executed only after the realisation.

34.3 Liquidity risk

The Company monitors its risk of a shortage of funds regularly and is directly monitored by CFO of the company.

The Company's objective is to maintain balance between continuity of funding and flexibility through the use of bank loans and Debt Preference Shares.

The management expects to renew/rollover all of the short term debts/borrowings that are falling due in next 12 months. Further the Company is confident of increased operational cash inflows from bookings of flats/villas/apartments and is also ensured of continued support from its Holding/ Associates Companies and the Promoters.

The management also obtained consent from the preference shareholders for extension of the redemption of preference shares which are due for redemption on 31 March 2020. These preference shares are now due for redemption on 31 March 2025.

34.4 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to ensure their ability to continue as going concern and maximise the shareholder value.

The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments as at 31 March 2021:

Particulars	On demand	< 3 month	3 to 12 months	1 to 3 years	> 3 years	Total
Borrowings (Incl. Debt portion of Preference Shares)	677.78	515.68	-	57,775.85	1,108.59	60,077.89

ZUARI INFRAWORLD INDIA LIMITED
NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021
 (All Amounts in Indian Rupees in lakhs, unless otherwise stated)

35 Fair values

Set out below, is a comparison by class of the carrying amounts and fair value of the financial instruments

Particulars	Carrying value	
	As at 31 March 2021	As at 31 March 2020
Financial assets carried at fair value through profit or loss		
Quoted mutual funds	4,083.93	9,461.17
Preference Shares held in Associate Company	667.00	672.00
Financial assets carried at fair value		
Interest accrued and due	33.72	33.72
Interest accrued and not due	364.49	5.43
Expenses Recoverable - Related parties	157.33	157.33
Loans and advances	-	288.40
Unbilled Revenue - Service contracts	137.21	-
Unbilled Revenue - Others	-	-
Net investment (Sub-lease)	197.19	201.07
Security deposits	31.00	31.00
Trade Receivables	529.16	460.16
Cash and cash equivalents	6,342.17	686.77
Advance to employees	2.71	55.34
Financial assets carried at cost		
Investment in Associate	2,278.22	2,285.73
Security deposits	44.98	76.00
Total	14,869.10	14,414.12
Financial liabilities carried at fair value		
LIC Housing Finance Limited	14,937.54	16,419.59
Yes Bank Limited	-	-
Yes Bank Ltd, IFSC Banking Unit	21,932.13	22,697.90
Vehicle Loan	15.68	72.52
Preference shares (debt portion)	1,108.59	1,058.66
Security deposit towards sub lease	-	-
Loan from related parties	3,927.07	2,365.76
Other loans	5,733.21	8,705.92
Refundable deposit	1,000.00	1,000.00
Deferred Rental on security deposits	-	-
Current maturity of long term loans	2,797.99	1,010.19
Lease liability	491.44	557.67
Other payable to related parties	9.92	173.25
Other deposits	14.96	14.96
Dues to employees	189.36	149.28
Payables for capital purchases	-	-
Interest accruals on loans	1,439.61	1,192.71
Trade payables	1,715.42	4,897.14
Total	55,312.91	60,315.57

Other Notes:

(i.) The management assessed that cash and cash equivalents, other bank balances, trade receivables, retention money, inter corporate deposits, loan to related party and trade payables approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

(ii.) The following methods and assumptions were used to estimate the fair values:

(a.) The fair values of the unquoted Preference shares have been estimated using a DCF model and considering the future cash outflow in this regard, based on a independent valuation . The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility. The probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted Preference shares.

(b.) The fair values of the Company's interest-bearing borrowings and loans approximates to their carrying amounts i.e., cost as at the end of the reporting year. The own non-performance risk as at reporting was assessed to be insignificant.

36 Fair Hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

Quantitative disclosures fair value measurement hierarchy for assets:

Assets:	Total	Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Investments in Mutual funds	4,083.93 (9,461.17)	4,083.93 (9,461.17)	- -	- -
Preference shares held in Associate	667.00 (672.00)	- -	- -	667.00 (672.00)

- (i.) Amounts in the parenthesis represent previous year.
- (ii.) There have been no transfers between Level 1 and Level 2 during the year.

37 Gratuity (Employment benefit plan)

Particulars	As at 31 March 2021		As at 31 March 2020	
	Current	Non-current	Current	Non-current
Value of Plan - Gratuity (Un-Funded)	1.54	43.04	1.16	31.97

Gratuity:

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets gratuity on departure at 15 days salary (last drawn salary) for each completed year of service.

The following tables summarise the components of net benefit expense recognised in the statement of profit or loss and the funded status and amounts recognised in the balance sheet for the respective plans:

(i.) Net employee benefit expense (recognized in Employee Cost) for the year ended:

Particulars	As at 31 March 2021	As at 31 March 2020
Current Service Cost	8.18	10.47
Net Interest Cost	2.20	3.00
Expense recognised in profit and loss statement	10.38	13.47

(ii.) Actuarial (gain)/loss on obligation:

Particulars	As at 31 March 2021	As at 31 March 2020
(Gain)/loss from change in demographic assumptions	-	0.28
(Gain)/loss from change in financial assumptions	0.30	(4.86)
Experience (gains) / losses	0.77	4.65
Total actuarial (gain)/loss	1.07	0.08

(iii.) Other comprehensive income

Particulars	As at 31 March 2021	As at 31 March 2020
Actuarial (Gain)/Loss recognized for the period	1.07	0.08
Asset limit effect	-	-
Total Actuarial (Gain)/Loss recognized in (OCI)	1.07	0.08

(iv.) Changes in the present value of the defined benefit obligation are, as follows:

Particulars	As at 31 March 2021	As at 31 March 2020
Opening defined obligation	33.14	41.50
Current service cost	8.18	10.47
Interest cost	2.20	3.00
Contribution paid	-	(21.91)
Actuarial (gain)/ loss on obligations	1.07	0.08
Defined benefit obligation	44.59	33.14

(v.) The principal assumptions used in determining gratuity obligations for the Company's plans are shown below:

Particulars	As at 31 March 2021	As at 31 March 2020
Mortality	IALM (2012-14) Ult.	IALM (2012-14) Ult.
Interest / Discount Rate	6.70%	6.77%
Rate of increase in compensation	First two years - 8% 3rd year onwards - 6.5%	First two years - 8% 3rd year onwards - 6.5%
Expected average remaining service	15.40	15.66
Benefit of normal retirement considered as per Payment of Gratuity Act, 1972	Rs. 20 Lakhs	Rs. 20 Lakhs
Employee Attrition Rate (Past Service)	PS: 0 to 18 years : 3% PS: 18 to 30 years : 2% PS: 30 to 42 years : 1%	PS: 0 to 18 years : 3% PS: 18 to 30 years : 2% PS: 30 to 42 years : 1%

(vi) A quantitative sensitivity analysis for significant assumption as at the reporting date is as shown below:

Gratuity Plan Assumptions	As at 31 March 2021		As at 31 March 2021	
	Discount rate		Future salary increases	
Sensitivity Level	+1% increase	-1% decrease	+1% increase	-1% decrease
Impact on defined benefit obligation	40.68	49.24	48.26	41.43

Gratuity Plan Assumptions	As at 31 March 2020		As at 31 March 2020	
	Discount rate		Future salary increases	
Sensitivity Level	+1% increase	-1% decrease	+1% increase	-1% decrease
Impact on defined benefit obligation	30.11	36.75	36.02	30.67

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

(vii) The following payments are expected contributions to the defined benefit plan in future years:

Particulars	As at 31 March 2021	As at 31 March 2020
Within the next 12 months	1.54	1.16
Between 2 and 5 years	22.02	17.78
Between 5 and 10 years	6.03	4.40
Total expected payments	29.60	23.35

Note: The above disclosures are based on the valuation report by an independent actuary and relied upon by the auditors.

39 Segment Information

Information regarding Operating Segment Reporting as per Ind AS-108

The Chief Financial Officer monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Accordingly, the Company has identified only one segment i.e. real estate sector as its reportable segment for the purpose of Ind AS 108.

Real Estate segment (RE) is into development, sale, management and operation of all or any part of townships, housing projects, including leasing of self owned commercial premises and also rendering development management services and thus entire business has been considered as a single operating component by the Management.

39.1 The following table presents assets and liabilities information for the Company's operating segments as at year end:

Geographical information	Non-current assets		Revenue from operations	
	As at	As at	for the year ended	for the year ended
	31 March 2021	31 March 2020	31 March 2021	31 March 2020
India	1,260.33	1,353.53	1,856.17	2,613.85
Outside India (Dubai)	4,227.39	4,392.66	-	-
	5,487.72	5,746.19	1,856.17	2,613.85

Note:

Non-current assets disclosed above are excluding Investment in subsidiaries & Associates, financial instruments, deferred tax assets, post-employment benefit assets etc

39.2 Revenue from the customers contributing more than 10% of the total revenue are given below:

Particulars	For the year ended	
	31 March 2021	31 March 2020
Customer A	-	-
Customer B	-	-
Customer C	-	-
Total	-	-

Note:

There are no customers who individually contribute more than 10% of the total revenue of the Company. Accordingly, no disclosures has been made in this regard

40 Disaggregation of revenue

Particulars	For the year ended 31 March 2021		For the year ended 31 March 2020	
	India	Outside India	India	Outside India
	Sale of residential units	1,511.96	-	2,275.08
Development management fees	287.09	-	220.02	-
Sales Commission on sale of plots/residential units	19.67	-	38.10	-
Maintenance charges	37.45	-	75.67	-
Other Operating revenue	-	-	4.99	-
Total	1,856.17	-	2,613.85	-

41 Accounts of most of the trade payables, trade receivables, loans & advances and customer advances are subject to confirmation and management does not expect any material adjustments had the confirmation were received. In the opinion of the Management none of the assets, other than property plant and equipment, have a value lower on realisation in the ordinary course of business than the amount at which they are stated in these consolidated financial statements.
