## Press Release

### Zuari Industries' SPE Division Records Highest-Ever Sugarcane Crushing in FY26

Delhi NCR | 1 April 2026

The SPE Division of Zuari Industries Limited (ZIL) has achieved its highest-ever sugarcane crushing of 159.7 lakh quintals in FY26, surpassing its previous record of 157.2 lakh quintals in FY25.

The performance was driven by improved efficiency, higher capacity utilisation, increased cane availability, and an early start to the crushing cycle.

**Mr. Athar Shahab, Managing Director, Zuari Industries Limited, said:**

*“This milestone reflects consistent improvement in our operations and the discipline we are building across the SPE Division. Our focus is on sustaining this performance and strengthening execution.”*

**Mr. Alok Saxena, Executive Director & Unit Head, SPE Division, Zuari Industries, said:**

*“The performance this season is driven by stronger engagement with farmers and improvements in field practices. Our teams have supported growers with better crop management and varietal adoption to improve yields and supply. At the mill, tighter operational planning helped us maintain efficient capacity utilisation.”*

The mill is expected to gain a head start for FY27 with plans to extend crushing operations into April. This milestone sets a new benchmark for the unit and reinforces Zuari Industries continued focus on operational discipline.

**About Zuari Industries Limited (ZIL):**

Zuari Industries Limited is the apex company of Adventz, with a legacy of over five decades, operating through its divisions, subsidiaries, and joint ventures across key sectors including Sugar, Power & Ethanol, Engineering & Construction, Real Estate, Biofuels, Financial and Management Services.

Its Sugar, Power & Ethanol (SPE) division operates integrated facilities for sugar production, green power generation, and biofuels, supporting India's energy transition and agri-based economy. Its Real Estate (RE) division focuses on the development and sale of premium residential projects and has substantial land banks in Goa.
